

Juveniles Defeat Frankford to Take Eastern Ontario Championship

Tip-Top Trophy Presented
Winners By D. Patterson,
O.M.H.A. 2nd Vice-Pres.

Stirling Juveniles assured themselves of a spot in the O.M.H.A. Juvenile "C" semifinals by virtue of their double victory over Frankford over the week-end. Both games were played at the Stirling Arena and were witnessed by a good crowd of fans. By their win Stirling captured the Eastern Ontario Championship and the Tip-Top Trophy, which was presented by D. R. Patterson, 2nd Vice-President of the O.M.H.A., at the conclusion of the game.

FIRST GAME

In the Saturday night game the locals took a three-goal margin in the first period on counters by Donohoe, Hagerman and Donnan. The visiting players showed the effects of a hard game with Tweed on the previous night and while they held command of the play at times couldn't keep up the pace.

In the second stanza Stirling increased their lead with two quick counters by Donohoe and Faulkner. At the 11:45 mark Robinson, of Frankford, scored the prettiest goal of the night when he stickhandled through the local defence and drew Rowe out to flip the disc into the net. Hagerman made the count 6-1 to finish the scoring in the second period.

Starting the final stanza Stirling added two more in less than a minute first J. Wright and then Faulkner beat the visiting goalie. Kidd counted for Frankford and Vandervoort and Noble added to Stirling's count before R. Patrick got the final Frankford tally. Donnan and Donohoe scored before the end of the period. Donohoe led the local scorers with three, Donnan, Hagerman and Faulkner got two each and J. Noble, Vandervoort and Wright singletons.

2nd GAME MONDAY

In the game Monday night Stirling came out victors by a score of 9 to 4. However the score didn't indicate the type of game witnessed by a good crowd of fans. The visitors had a 2-1 margin in the first period and at times outplayed the locals but the scoring strength of the victors finally asserted itself and they ran up the score in the closing minutes of the game.

Frankford opened the scoring early in the first period with Watson beating Morrow, who replaced Rowe in the Stirling nets. Jack Donnan evened the count near the midway mark of the period but Larry Rogers, who was one of the best players for the visitors, gave them a 2-1 lead at the 16:45 mark.

In the second period Stirling outscored the visitors 3-0, with Andy Faulkner getting the first and Grant Hagerman two.

However in the first half of the final stanza Frankford scored two to tie the count, Rogers getting the first and Watson the other. From that point Stirling had an edge and ran in five counters to salt the game away.

Juveniles Hit Play-off Trail

Having won the O.M.H.A. Juvenile "C" Eastern Ontario Championship, the Stirling Juveniles are set to begin their quest for a provincial championship.

The next round will be the Ontario semi-finals and their opponents will be either Stayner or Bobcaygeon. The local hockey management is hoping that the weatherman co-operates in making it possible to keep a good sheet of ice in the local arena so that fans may see some good play-off competition.

Other teams in the western part of the province still in the running are Norwich vs Forest and Arthur vs Port Elgin.

BANTAMS ALSO IN SEMI-FINALS

The Stirling O.M.H.A. Bantams will also advance to the semi-finals and meet the winner of a Woodbridge vs Cannington series. Woodbridge won the first game 5 to 2.

Attend Hydro Convention

Mr. and Mrs. R. L. Hatton, Mr. and Mrs. Jas. Wright, Mr. and Mrs. G. C. Mouck and Mr. and Mrs. Nix Flindall attended the Hydro Convention in Toronto this week.

"At Home"

Mrs. A. D. Runnals will be "At Home" to her relatives and friends on Thursday, March 14th from 3 to 5 p.m. on the occasion of her 100th birthday anniversary, at the home of her daughter, Mrs. J. M. Dafee, King St., Frankford, Ont.

Residents In Hospital

Earl Dunkley was rushed to Belleville General Hospital on Monday by Duffin's Ambulance. He underwent surgery on Tuesday afternoon.

Friends of Mrs. Maurice Bell will regret to learn that she is a patient in Trenton Memorial Hospital where she was taken early Sunday morning. She underwent surgery Tuesday.

Honoured On Anniversary

Mrs. Douglas Ackers, John St., was hostess at a well-arranged dinner party on Sunday in honour of her father, Stanley McMurray, of town, who was observing his birthday anniversary. Some twelve members of the family were present and the guest of honour was the recipient of a number of gifts and numerous congratulatory messages.

High School Budget Adopted

At a special meeting of the Stirling-Rawdon District High School Board held on Thursday afternoon last, the annual budget was discussed at length and adopted.

The total estimated cost of maintenance for the current year is \$54,076.64, of which Rawdon Township will pay \$26,324. Stirling Village \$17,791.20 and Sidney Township \$9,961.44. In addition the Debenture cost is \$27,485, of which Rawdon pays \$13,885.25, Stirling \$9,042.60 and Sidney \$5,957.25.

R. W. Froats, District Inspector, was present and a general discussion ensued on the new technical courses being offered pupils.

H. Morrow presided and was supported by D. W. Rodgers, R. W. Murray, Jas. Johnston and R. Mallory.

Men's Ten Pin Bowling League

This week Ralph Scea's team took all 7 points from Don McCrory's team. Bill Blakeley had the high single of 171 and triple of 420. Harold Johnson had a 407 triple and Ralph Scea 392.

Honoured Guests At Family Birthday Party

Sunday afternoon was the scene of a happy occasion when relatives and friends gathered at the spacious home of Mr. and Mrs. Harold West, Front St., to celebrate several birthday anniversaries that fall within a few days of one another.

Honoured guests were Mrs. Russell Stapley, her son, Mr. Forde Stapley, grandchildren Miss Jane West and Mr. Claire Stapley and niece, Miss Ruth Brintnell.

A bountiful turkey dinner, served buffet style, was enjoyed by all, after which the lighting of the birthday cakes took place. One cake was shaped like an open book, reading "Happy Birthday Grandma" on one page and "Best Wishes Ruth" on the other. The page was marked with a pink satin streamer and the cake entirely surrounded with pink candles centred in white marshmallows. The second cake was decorated with white and pink frosting and multi-coloured candles. After "Happy Birthday To You" was sung, the candles were blown and the cakes cut and served. A social time followed with fun, games and music.

Others present were Mr. and Mrs. Charles Brintnell, of Plainfield; Mr. and Mrs. Wm. Morton and family, Mrs. Forde Stapley, Mr. and Mrs. John Svoboda and boys, Mr. and Mrs. Harry Cooke and Holly, Mr. and Mrs. Robt. Hulm and Carol, Mr. and Mrs. Bert Jones and boys and Mr. Harold Hagerman.

E. C. Hay-Ellis Engaged as Principal Elmvale High School

Mr. Edgar C. Hay-Ellis, M.A., Vice-Principal of the local High School, has accepted the position of Principal of the Elmvale District High School (near Barrie). He will assume his new responsibilities in September, 1963.

Mr. Hay-Ellis has been a member of the local school staff since September 1956 and the announcement of his departure has been received with regret by both students and parents.

St Paul's Y.P.U.

On Monday, March 4th, St. Paul's and Carmel Young People's Union journeyed to the Top's Motel, Belleville, where they enjoyed an evening of swimming.

Due to the local High School exams the next meeting will be on Monday, April 1st, at p.m. at St. Paul's United Church.

Mrs. Wm. Morton Elected Regent Hon J. R. Cooke Chapter I.O.D.E.

Miss Jessie Johnston was hostess to the Hon. J. R. Cooke Chapter, I.O.D.E., for the February meeting held in the Parish Hall, followed by the Annual meeting.

The evening began with a delicious dinner served by the St. John's Ladies' Guild under the direction of Mrs. Hay-Ellis. Thanks and appreciation to the ladies were expressed by Mrs. A. Fraser on behalf of the Chapter.

Mrs. Glendinning, Regent, opened the meeting with the Prayer of the Order. Mrs. Ed Warren, in the absence of the Standard Bearer, carried the flag. General business was handled along with reports from the various departments. Two guests were welcomed to the meeting, Mrs. Kirm and Mrs. Jagaciak. A letter from Anna Bendig, the adopted child in Germany, was read expressing appreciation for the gift of money and stated that much needed clothing was purchased. The annual scrap book was on display.

After the regular meeting adjourned the twenty-second annual meeting of the chapter went into session. Reports showed that another successful year had been completed.

Slate of Officers

The nominations committee brought in the slate of officers for the 1963-64 season, and is as follows: Regent — Mrs. Wm. Morton Vice-Regent — Mrs. Maude Runnals

Secretary — Mrs. H. M. Wood Assistant Secretary — Miss R. Spry

Variety Show By Students Well Received

Citizens of Stirling and district who attended the Variety Show by students of the Stirling-Rawdon District High School in Stirling Theatre on Friday and Saturday nights were well rewarded. Interest and encouragement were much in evidence as good crowds enjoyed drama, comedy and music.

The theme of the evening, "Around the World," incorporated scenes and costumes of other lands and in each case the musical numbers were well presented. The blast off was at Stirling Fair Grounds and the tour included the United States, West Indies, England, Russia, France, Persia, Japan, Back to Canada and Home to Stirling.

The gymnasts, as usual, drew well-merited applause. In these days of professional television performances it is a treat to see amateurs in action and an occasional mismove only adds to the entertainment.

The choral numbers, with their solo parts, left no doubt of the talent available in our midst.

The director, Mr. E. C. Hay-Ellis, and all who had a part in the production are to be commended for their efforts, especially since many of those concerned have had little previous experience. All in all, it was a good show.

Local and Personal

Mrs. Clifford Sine and Doris spent the week-end with Mr. and Mrs. Earl Ruttan and Marie, Kingston.

Mr. R. E. Fox was in Stratford on Saturday and guest speaker at the 102nd anniversary ceremonies of Stratford I.O.O.F. Lodge. He was accompanied by Mrs. Fox.

Mr. and Mrs. John Bateman and daughter Brenda spent the week-end with the former's mother, Mrs. A. Morrison.

Mrs. A. Morrison attended the funeral of her cousin, Mr. Chas. Barton, Havelock, on Tuesday.

Mr. and Mrs. D. R. Williams, Mr. and Mrs. R. Merrick, Mr. and Mrs. H. Bird and Mr. and Mrs. L. Thompson returned home Monday after spending a vacation in Florida.

Mr. and Mrs. W. E. Munro, of Perth, and Mr. and Mrs. Gordon Healey, of Smiths Falls, were callers on Mrs. Jane Munro and Mr. and Mrs. W. L. Munro on Sunday.

Richard Poste, son of Mr. and Mrs. Ray Poste, Mill St., was home from Central Officer's Training School, RCAF Station, Centralia, Ont., for the week-end.

St. Paul's United Church AOTS Men's Club Entertain Ladies

Principal Alastair Haig, of Albert College, Belleville, Guest Speaker Wed. Night

Principal Alastair Haig, of Albert College, Belleville, gave a challenging address to the members of St. Paul's United Church AOTS Men's Club on Wednesday evening. It was the annual Ladies' Night and was the occasion for a bountiful banquet served in the Sunday School auditorium by the ladies of Carmel U.C.W., under the leadership of Mrs. Harold Johnston. The colourful decorations on the tables included a series of AOTS letters in the club's colours of red, blue and gold. Marvyn Scott was in charge of the fines box.

The banquet was preceded by the singing of The Queen and the AOTS Grace with Mrs. Harry Brown as accompanist. President Wendell Camm welcomed the one hundred and sixteen members and guests. Regret was expressed at the absence of Mrs. Maurice Bell whose illness had necessitated hospitalization.

Good Programme

Solo and duet numbers on the piano by Ed and John Svoboda got the programme off to an enjoyable start. Clare West, a Past President of the Club, expressed appreciation to the Carmel ladies for their part in making the banquet a success. Maurice Bell then introduced a group of musicians who had never before performed in public as a group. These were Stuart McArthur, Gary Mayell, Bob Bell, Maurice Bell with Mrs. Harry Brown at the piano. Their Dixieland numbers were much enjoyed. Edwin Warren capably proposed a toast to the ladies to which Mrs. Max Maguire gave a suitable reply. A sing-song led by Harold Hagerman included many of the old favourites.

Jack Bush, the immediate Past President, used "The Christian Home" as the theme of his devotional period. Everyone was reminded of the importance of guarding his precious heritage and making an effort to support Christian living in the everyday situations.

A fellowship report given by Fred Bateman not only presented some pertinent information but was presented in Fred's usual humorous manner.

Harry Brown introduced a quartette consisting of Jack Bush, Ralph Johnson, Grant Richardson and himself, with Mrs. Brown as accompanist. Their first number was "Heartaches," followed by "When Your Hair Has Turned to Silver" in barbershop harmony.

The President's announcements included a reminder of the special church service at St. Paul's on Sunday evening, March 17th, with an AOTS choir in attendance as part of a Training School for AOTS leaders of the Belleville Presbytery.

Guest Speaker

Grant Potter, who had arranged the programme, called upon the Rev. Philip Hommersen to introduce the guest speaker. Mr. Haig spoke of the building blocks that the courses and life at Albert College are based upon, namely, academic excellence, physical fitness, and spiritual commitment. The latter aspect of Albert's program was clearly explained through Mr. Haig's references to actual problems of his students and the solutions for them. Mrs. Haig had accompanied her husband, and assisted him by relating several incidents about the lives of the girls at the College. Elwood Bateman thanked the speaker for the inspiration his address had given.

The banquet and programme were brought to a close by the benediction given by the Rev. P. J. Hommersen.

Public School Bowling

On Saturday morning Allan Duffon's "Monarchs" and Beth Fraser's "Bullocks" took a game each, but the "Monarchs" got the extra point for total pinfall. Bob West's "Chevies" again turned out in full force, so took all 5 points from Greg Dafee's "Caddies." You "Caddies" are just going to have to get out of bed on Saturday mornings.

Greg Dafee bowled both the high single of 179 and double of 294, but he can't do it all without more support from his team mates.

MRS. JANE MUNRO 100 YEARS OLD

Congratulations are extended Mrs. Jane Munro, Front St., who will observe the 100th anniversary of her natal day tomorrow (Friday), March 8th.

Born on a farm on the "Scotch Line," near Perth, Mrs. Munro is the former Jane Wilson, daughter of the late Mr. and Mrs. Geo. Wilson. She is the eldest of a family of three sons and eight daughters, three of whom are still living in the Perth district, Mrs. Charles Dadds, Mrs. Alfred Crockery and Mrs. James Drysdale. She has four sons, Gilbert, of Stockton, Cal., and Lawrence, Ernest and Lloyd, all of Stirling.

Since coming to Stirling some fifteen years ago she has resided with her son and wife, Mr. and Mrs. Lawrence Munro. A Presbyterian in religion, she was a regular attendant at the services in St. Andrew's Church and meetings of the W.M.S. so long as her health permitted.

Although her sight and hearing are somewhat impaired she is erect of carriage and gets about the home in a manner that belies her years. She possesses a cheerful disposition and loves to recall many incidents of her girlhood days in the Perth area and can still recite many poems learned in former years.

Citizens in general join in extending best wishes for a happy anniversary.

Friday Night

Mixed Bowling

The ladies' high single and triple went to Rosa Spry, 276 and 177. The men's high single and triple was won by Ray Poste, 370 and 754. The high averages are retained by Cliff Short and Rosa Spry, 225 and 220.

Other high games bowled this evening were Katherine Wannamaker 225, Rosa Spry 249, Verna Woodbeck 211, Ray Poste 212, Cliff Short 204, Ray Rose 221, Dick Reid 278 and 228, Doug McCrory 249 and 291, Bob Crossman 223.

World Day of Prayer Service at St. Thomas, Rawdon

The World Day of Prayer Service was held in St. Thomas Anglican Church, Rawdon, on Friday afternoon with a fair attendance. Churches represented were Standard Church, Ivanhoe; Beulah United Church, Ivanhoe; West Huntingdon Presbyterian Salem United Church and St. Thomas Anglican.

The call to worship section was presided over by Mrs. Ted Preston. Mrs. John Melroy presided over "Confession and Assurance." Mrs. Lindsay Tanner presided over "Dedication" and Mrs. Everett Sine presided over "Intercession."

Prayers were given by Mrs. (Rev.) Hawley, Mrs. Tom Clements, Mrs. Stanley Keller, Mrs. George Wood, Mrs. Hugh McMullen and Mrs. Stanley Prest. A duet was beautifully rendered by Mrs. Reid and Mrs. Johnston of the Standard Church.

Rev. R. Stewart, rector of the Church, gave a most interesting address. Mrs. Ethel Runnalls and Mrs. Sam Twiddy gathered the offering which amounted to \$11.36 and was forwarded to the Women's Inter-Church Council of Canada.

Mrs. Tom Clements, on behalf of Salem United Church, extended an invitation to all to hold the World Day of Prayer Service in their Church next year with Mrs. Everett Sine as the key woman. The meeting closed by all repeating the benediction.

February Meeting Wellman's W.I.

The February meeting of Wellman's Women's Institute was held on Wednesday, February 20th at the home of Mrs. John Carlisle with 14 ladies and 5 children present.

In the absence of the President, the Vice-President took charge of the meeting and opened with the Institute Ode, followed by the Lord's Prayer.

Roll call was to work a buttonhole by hand with a prize for the best with Mrs. Alfred Atkins being the winner. The motto, "A full kettle makes no noise," was well prepared by Mrs. Omar Dracup and read by Mrs. Keith Clancy.

The meeting was handed over to Mrs. Ken Tompkins, the Home Economics Convener. She introduced her guest, Mrs. Albert Fraser, of Stirling, who demonstrated cake decorating. Mrs. Fraser showed several different ideas and designs and everyone en-

joyed the demonstration. Later there were draws for the cake and cupcakes which she had decorated. Mrs. Doug Clancy thanked Mrs. Fraser for her very interesting demonstration and presented her with a small gift.

Mrs. Fred Beckett contributed a solo, "When you come to the end of a perfect day," accompanying herself on the guitar. Mrs. Doug Clancy gave a reading, "Dieting" and Mrs. Harold Linn favoured with two accordion solos, "Whispering Hope" and "Glow Worm."

Following the collection the meeting closed with the Institute Creed and the Queen. The hostess and her assistants served a delicious lunch and a social half hour was enjoyed.

THE BIBLE TODAY

The Canadian Bible Society is launching out into new seas. For the first time since it was inaugurated in 1904, the Canadian Society will assume administrative responsibility for work outside Canada.

Long accustomed to caring for Scripture distribution within Canada and raising needed funds for The British and Foreign Bible Society in its world-wide work, now the Canadian Society will reach abroad.

The Caribbean area now comes under the Canadian Bible Society in this new arrangement between The British and Foreign Bible Society and the American Bible Society.

Cuba, Bermuda, Antigua, Bahamas, Barbados, British Honduras, British Guiana, Grenada, St. Vincent, St. Lucia, Dominica, Jamaica, Trinidad, Tobago, St. Eustatius, St. Martin, St. Croix and St. John are now included in the new administrative area. Bible Society Secretaries are located at Havana, Cuba, and Kingston, Jamaica.

Besides administration it has been announced, that the Canadian Bible Society will undertake to pay \$170,000 a year to promote Bible work in these parts of the Caribbean.

why? IGA
are IGA brands so much lower in price

Have you ever wondered why those popular IGA products with such names as "Royal Guest," "Royal Gold," "TableRite" and others are lower priced? There's a simple explanation! Despite the fact that IGA neither manufacture nor process any of these products, they are purchased directly from the makers of leading National Brands in the tremendous quantities necessary to supply over 700 IGA stores from coast to coast. IGA establishes quality control . . . national advertising is eliminated . . . and of course many selling costs are lowered as a result. The savings are yours, so try IGA products this week . . . and you'll appreciate the quality too!

Do You Remember?

TWENTY-FIVE YEARS AGO

THURSDAY, FEBRUARY 24th, 1938
ISSUE MARCH 3rd, 1938

Members of Stirling L.O.B.A. No. 655, played hosts to the members of Stirling L.O.L. No. 110 on the occasion of the 13th anniversary of the institution of the former ladies' lodge.

Mr. and Mrs. Aaron Anderson and family and Mr. and Mrs. Harold Rowe were honoured by the Mount Pleasant community on February 28th prior to moving to new fields of labour, the former to Campbellford district and the latter to Halloway.

Trent Valley League ended in a tie with Trenton and Campbellford in first place and Tweed and Stirling tie for second.

Chas. R. Rose, father of Morris Rose, died at the home of his son on Saturday.

Don Scott, an employee of McIntosh & Wells, is in Toronto, attending a course in welding sponsored by the Canadian Carbon Co.

Local and Personal

Mr. and Mrs. Bert Bedford spent the week-end in Kingston, guests of Mr. and Mrs. Hugh Day.

Miss Ellen Cleugh and John Cleugh, Campbellford, were Friday guests of Mr. and Mrs. Harper Rollins.

Miss Christina Farney is in Long Island, N.Y., visiting her sisters, Mrs. Earl Stroude and Miss Helena Farney.

A Letter To The Editor

Kind Sir:

My many thanks to you for inserting in your worthy paper the request for used cards. I might say that I was completely snowed under, the response was so great.

One hates to burn these cards after the holiday is over and they usually store them in the attic. At one time I had 3,000 as a certain box had 600 in it and I had five such boxes.

So many people asked, "Well what do you do with them?" Well, my first

box went to an Indian Residential School in British Columbia. In the reply I received from the superintendent they asked for all the cards I cared to send.

I have before me a list of twelve hospitals, schools, sanitariums, homes for retarded children, missionaries in Africa and Formosa and last but not least two homes for limbless or crippled ex-servicemen in England where I have sent these cards. I learned that the men remove any ink marks from the cards making them almost like new and sell all they can for their spending money. My best ones are sent to England. May we say a prayer, as we read this letter, for those dear nurses, teachers and missionaries who are trying to make life a bit more pleasant for those who are less fortunate than we in Ontario.

Yours truly,

Mrs. Russell Stapley

Annual Report I.O.D.E. Chapter

It is my privilege to present the 22nd annual report of the Hon. J. R. Cooke Chapter, I.O.D.E.

During the year 1962 ten regular meetings were held — six in the members' homes and four in St. John's Parish Hall.

The programmes have been varied including the following highlights:

Each member brought a guest to the May meeting, after which a Penny Sale was held, proving both profitable and enjoyable.

In June Mr. Carl Reid, who is employed by the Canadian Government as a teacher of Eskimos in the North, gave a very interesting talk accompanied by slides.

The Standard was carried by Miss Rosa Spry to the Provincial Semi-Annual meeting in Peterborough in October.

The Provincial Annual Meeting in Hamilton was attended by delegate Mrs. Wm. Morton, Vice-Regent, and Miss R. Spry who carried the Standard.

A donation of \$10.00 was given to the Stirling Festival of Sacred Praise.

The Order continued to assist our

adopted child, Anna Bendig, by a donation of \$50.00.

A smorgasbord dinner was held with success in the Community Hall in November.

Our Chapter has adopted Fern Court Secondary School in Jamaica by assisting in purchasing books.

The Annual Spinster's Dance was a very successful function.

A Bake Sale was held in July at Oak Lake, being very profitable.

The Proficiency Trophy was presented to Miss Sue Anne Bastedo, the student with the highest standing in Grade VIII at Stirling Public School by the Regent, Mrs. G. Glen.

Several members attended the District Dinner at Tabernacle United Church Hall, Belleville. The Standard was carried by Mrs. E. Warren.

The Bridge Marathon was carried on again with much success.

Several members attended the Remembrance Day Service at the Cenotaph on November 11th.

We are proud of our scrapbook which was created by Misses Rosa and Gena Spry and won third prize in the Provincial competition.

The following allocations were made to Provincial and National treasury: Shipping Fund, \$10.00; Korean Project Fund, \$10.00; Overseas Relief Fund, \$10.00; Peace Garden Fund, \$1.00; Emergency and Welfare Fund, \$10.00; Special Representa-

tive Fund, \$5.00; Lucy Morrison Memorial Fund, \$50.00; Commonwealth Relations Fund, \$10.00; Workroom Maintenance Fund, \$10.00; Film Fund, \$1.00; Canadian Scene Fund, \$2.00.

The following articles, sewn and knitted, were sent to Headquarters for distribution: 3 layettes, 6 bibs, 1 Korean quilt, 3½ dozen diapers, 2 nighties, 1 matinee jacket, 1 boy's shirt, 2 girls' cotton dresses, 3 personal property bags, 3 pair boys' socks, 4 pair Korean socks, 3 personal property bags, 3 air boys' socks, 4 pair Korean socks, 10 baby jackets, 6 children's sweaters, 2 bonnets, 2 helmets and 10 stuffed toys.

To the citizens of Stirling and district the Chapter is ever grateful for their continued support in our projects.

Mrs. Ken Sine, Secretary

Entered Into Rest

PERCY RAY

In failing health for the past six years, Percy Ray, of R.R. 1, Harold, Ont., passed away at his residence on Monday, March 4th. He was in his 65th year.

Born in Huntingdon Township, he was the son of the late Mr. and Mrs. Samuel Ray. He has resided in the Harold community for the past 38 years where he made his living as a farmer and resided in Huntingdon Township prior to his going there. He

was the husband of Mabel Reid. He was a member of St. Andrew's Presbyterian Church, West Huntingdon, and was a life member of Stirling Lodge, No. 69, A.F. & A.M.

Besides his wife he is survived by five daughters, Mrs. Donald (Norma) Drewry, R.R. 1, Harold; Mrs. Keith (Jean) VanHorne, Spring Brook; Mrs. Harold (Irene) Crossen, Belleville; Miss Gwen Ray, at home, and Mrs. Bill (Margaret Rose) Morton, Burlington; and six sons, Arnold, Harold, R.R. 1, Carl, Spring Brook; Robert, Campbellford; Glenn, West Huntingdon; Ross Harold R.R. 1, and Lorne, at home.

Also surviving are four sisters, Mrs. Martha Wilson, Winnipeg, Man.; Mrs. Hugh Sutherland, of Carleton Place, Alta.; Mrs. Thomas Tanner, Campbellford, and Mrs. Theodore Cooney, Stirling, R.R. 1; and seven brothers, William, of Halloway; Wesley, Spring Brook; Austin, Foxboro; Norman, of Stirling; Samuel, Madoc; Stewart, of Belleville, and Murney, of Edmonton and 35 grandchildren. Two sisters and one brother predeceased him.

The funeral took place on Wednesday from his late residence to St. Andrew's Presbyterian Church, West Huntingdon, for service at 2.30 p.m. Interment in West Huntingdon Cemetery.

A Masonic memorial service was held at his late residence Tuesday night at 8 p.m.

And Canada, They Tell Us, Is Going To The Dogs!

The Bureau of Statistics announces that in 1962 Canada's external trade reached \$12,616,000,000, an all-time high in our history.

More, the Bureau says that there was a favourable trade balance — that we sold more goods to outside countries than we bought from them — only the second surplus in 10 years, the other being in 1961.

Further, the Bureau points to a 'significant gain' in that a progressively larger proportion of our exports was in the category of fully manufactured goods.

Not bad, this, for a country which according to the Opposition, is on its way to the dogs!

And it's only part of the story. For what the record shows is that in practically every segment of the economy Canada's progress ranges from the good to the spectacular.

We read a lot about the Common Market countries; about their being an economic paradise. Well, only a few days ago President Kennedy produced facts to show that in the matter of economic stability Canada's 1962 record was better than "any other western industrial nation" — Common Market countries included.

Mr. Pearson and his much-vaunted economic wizard, Mr. Walter Gordon, used to talk about the decline of our Gross National Product. They are not talking that way now. The Gross National Product is on its way up now. For 1962 it is estimated at 8.2 per cent over 1961.

Last June, on the election's eve, the Opposition stormed around the supermarkets and shopping centres to frighten housewives with cries that the prices of their groceries would "soar." Everything, food, shelter, clothing, was going to skyrocket in a cyclone of inflation!

What happened? Prices in Canada since last June have risen by roughly 1.6 per cent — the smallest increase in any Western nation.

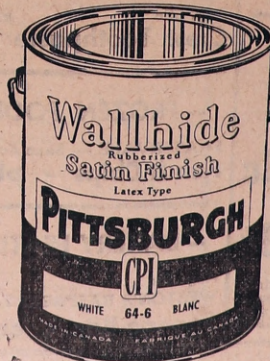

Time, fortunately, has an implacable way of tracking down the prophecies of such an Opposition. But exposed on one front, they attacked on another. The marvel is that, revealed as people who either did not know what they were talking about or who didn't care, they are now at their work again!

In Memoriam

MORRISON — In loving memory of my husband, Arthur R. Morrison, who passed suddenly from us on March 10th, 1962.

He didn't have time to say farewell,
Nor we to say goodbye,
And God only knows why.
Please God forgive a silent tear,
A secret wish that he was here,
For in God's garden now at rest,
Peacefully sleeping lies one of the best.

— Lovingly remembered by his wife,
Florence Morrison and family. 51-1p

MORRISON — In loving memory of our dear brother, Arthur R. Morrison, who suddenly passed away on March 10th, 1962.

The shock was sudden, the pain severe,
Little we thought that death was so near.
Our hearts still ache with sadness
God only knows how much we miss
you dear brother,
As this sad year ends.

— Lovingly remembered by Sisters and Brothers. 51-1p

MORRISON — In loving memory of a dear stepfather, Arthur Roy Morrison, who passed away very suddenly one year ago, March 10th, 1962.

The blow was great, the shock severe,
We little thought the end was near.
And only those who have lost can tell
The pain of parting without farewell.
More each day we miss you,
Friends may think the wound is healed.

But they little know the sorrow
That lies within our hearts concealed.
— Lovingly remembered by Russell and Luella and family. 51-1p

Rylstone

The Rylstone Women's Institute held a pot luck supper at the Orange Hall, Petherick's Corners, recently with an attendance of around 85. The menu was varied and delicious to which all did ample justice. After the supper was cleared away a short programme of musical numbers and other items were enjoyed. Some of those taking part in the programme were Mrs. Harold Linn and daughter Paulette, Misses Margaret Van Volkemburg and Fay Hindes, Campbellford and Petherick's Corners. Community singing rounded out the programme with Mrs. Don Stewart at the piano. The programme ended with the National Anthem.

There will be no regular Institute meeting in March.

Mrs. Wilfred Spencer, Mrs. Clarence Thomson, Mrs. Jack Spencer and Mrs. Bob Spencer attended a brush party at the home of Mrs. Doug Doohier, of Campbellford, on Tuesday evening last.

Mrs. Lily Anderson returned home on Saturday after being a patient in Campbellford, on Tuesday evening last.

Mrs. Lily Anderson returned home on Saturday after being a patient in Campbellford Hospital for several days.

According to an item in last week's Campbellford Herald, the mercury dropped to 16 degs. below zero one morning last week. It was 26 degs. below here at Rylstone and in Spring Brook they reported 28 degs. Campbellford must be in the banana belt.

Several ladies from Rylstone United Church and the Gospel Hall attended the World Day of Prayer Service in Spring Brook United Church on Friday afternoon.

J. Wayne and Barbara Milne spent the week-end with friends in Napanea.

Mr. and Mrs. Chuck Miller, Toronto, spent the week-end with their parents, Mr. and Mrs. Chas. Stewart, and little daughter Cathy. Mr. and Mrs. Ernie Miller and boy, Trenton, also visited her parents on Sunday.

Mrs. Eldon Anderson visited Mrs. Gordon McArthur at Naphthalene Mines on Sunday.

Margaret Mulheron, Bethel, spent the week-end with Marilyn Stewart.

Mr. and Mrs. Geordie Sutherland and Freddie, Stirling, spent Sunday afternoon with her sister and husband, Mr. and Mrs. Lloyd Anderson and family.

Anne Reid, of Queen's University, Kingston, spent the week-end at the home of her parents, Mr. and Mrs. Percy Reid and attended a banquet in Toronto given by Ryerson College at the Park Plaza Hotel. Anne also visited her grandfather, E. C. Pollock, in Campbellford Hospital on Sunday.

Cooper Eliminates Stirling Elaines

Cooper North Stars skated and forechecked their way to a 6 to 2 triumph over the defending champion Stirling Elaines in Cooper Monday night in the third and deciding game. Cooper will play off with Bata for the league championship.

Bob Hunter opened the scoring for the locals on a pass from Don McCrory. Bailey tied it up shortly afterwards when his pass-out deflected in the net off a skate.

In the second heat Henderson slapped home a rebound after Taylor had batted down R. Robinson's blueline slapshot. Whiteman took advantage of an Elaine mistake and got a break-away to make the score 2-1. Anderson put Elaine right back in the game when his backhand deflected off Chapman into the net. Whiteman scored his second of the period on Grey's pass out to make it 4-2.

In the final stanza Grey added two more to put the game beyond reach. Curtis was very steady in the Cooper nets making several key saves on their way to victory. Taylor also turned in perhaps his best performance of the season despite the six goals. Several cars and a bus made the trip to Cooper for the game.

F. Bailey and D. Brady officiated.

We Hang Up Our Gear For Another Year

"They sprang to the ice After the game's final whistle And away they all sped Like the down of a thistle. But we heard one exclaim As he flew out of sight There's a hotel down in Madoc Where you can really get tight."

CANADA DEPARTMENT OF AGRICULTURE

WHAT'S BEHIND THE LABEL?

When you pick up a can of fruits or vegetables or a package of the frozen product, do you ever wonder what's behind the label? There are certain words which are of great significance, not only to the processor and the retailer but to the consumer as well. The Consumer Section, Canada Department of Agriculture points out that, to take the guesswork out of buying, the shopper should take time to read the label. Regulations as to grading and labelling are enforced by inspectors of the Fruit and Vegetable Division of the Canada Department of Agriculture working from coast to coast. Sample cans are inspected right after processing and from time to time at retail levels to ensure that the product is the grade claimed. Here is what you will find on the label:

The Name

The name of the product is clearly and conspicuously shown and in some cases the variety as well. A description of the way it is packed is given e.g. — canned beets or carrots may be marked "whole", "diced", "sliced" or "shoe-string." The name and address of the packer or distributor together with the brand or trade name is also given.

The Grade Mark

This is a definite guide to quality and is one of the first things every shopper should look for. In order of quality the grades for canned fruits and vegetables are: Canada Fancy, Canada Choice and Canada Standard. For frozen fruits and vegetables there are two grades only — Canada Fancy and Canada Choice. These grade names apply to products canned or frozen in Canada also to those imported and repacked here.

Imported canned and frozen foods must have the country or origin indicated on the label. Imports sold in

the original container cannot carry the word "Canada" on the label as part of the grade mark. The grades — Fancy, Choice and Standard must meet the regulations for the corresponding "Canada" grades.

Volume and Net Weight

Volume in fluid ounces is given on canned fruit and vegetable labels and each can has to have a minimum net and drained weight. For example, a 20 fluid ounce can of peas must have a minimum net weight of 20 ounces and a minimum drained weight of 12 1/2 ounces. The drained weight of fruits or vegetables is the same in all three grades except in the case of canned tomatoes where a minimum drained weight is set for each grade.

Frozen foods are marked with the net weight in ounces or pounds.

Size

Some canned vegetables such as peas may be marked as to size. Sizes are numbered from Size 1, the smallest, to Size 5, the largest. The size of peas does not necessarily indicate quality. If peas are not graded as to size, the label must be marked "ungraded as to size," "assorted sizes" or "mixed sizes."

Percentage

Sugar Added

Fruit may be marked with the percent sugar used in syrup-packed fruit or added to a fruit juice or the words "without sugar" or "unsweetened" may be used. Minimum strength of sugar syrups for both canned and frozen foods is specified.

Added Ingredients

Some fruits, vegetables and juices may have added ingredients such as salt, sugar or vitamins. Vitaminized apple juice must have a specified amount of Vitamin C, 35 mgms. per 100 c.c. stated on the label. Pure juices need not state their natural vitamin content. The contents of canned fruit "drinks" must appear on the label in descending order of im-

Importance. Size of Containers

The sizes of cans which may be used for fruits and vegetables are outlined in detail in government regulations. Fortunately for the food shopper who wants to compare prices, containers for canned fruits and vegetables in standard sizes are limited in number. There are six main sizes — 10, 15, 20, 28, 48 and 105 fluid ounces. In addition to these, a few special sizes of cans are allowed for baby foods, juices, and a few vegetables. Frozen products must be packed in standard net weights ranging from 9 ounces in French fried potatoes to 15 ounces for sweetened fruits. There are also large packages with the net weight of 2 pounds or over.

OF MANY THINGS

(By Ambrose Hills)

It is tempting these days, in the midst of a confusing election campaign, to keep clear of politics. Much simpler to write about the diffusion of light through butterfly wings, or some such harmless subject, and keep out of the mess.

And it certainly is a mess. I have listened carefully to all the political leaders, and they all talk in broad generalities. Mr. Pearson has me completely confused with his suggestion that we take nuclear weapons now and beg out afterwards. Mr. Thompson seems to make very good sense in every speech, but he is on one side in the afternoon and the other in the evening, sounding very reasonable and logical on both occasions! Mr. Douglas is against nuclear weapons for Canada, period, but if one reads the Commonwealth (the CCF newspaper) one wonders if he favours them for Cuba and the other Iron Curtain countries. Mr. Diefenbaker says the situation keeps changing so fast it would be folly to have a cut-and-dried policy unchangeable in the exigencies of the times. So you take your choice.

Another thing that bugs me is the constant declaring of all politicians that this very business of nuclear weapons and the United States pressure to take them should not become an issue, because it would be anti-

American. They bring up the subject at every opportunity, which is about the surest way to keep it alive. About the only speaker who hasn't dwelt on it at length has been Diefenbaker, and he was supposed to be the one who was going to use it! Figure that one out if you can!

Then there's the question of Canadian problems. To listen to the campaign orators we're in one devil of a mess — yet our Gross National Product went higher than ever before, making the U.S.A. look as if it were standing still instead of "moving forward again" as promised in earlier days by the handsome young president.

Maybe, in the long run, it would be better to talk of butterfly wings. In my opinion, governments haven't as much to do with our prosperity or lack of it as we might suppose. You and I plow the land, dig the ditches, build the homes, run the factories, and do most of the important jobs. Government's main job is to keep order among us.

Anyone for a butterfly hunt? —

Rangers Observe Thinking Day

The Stirling Rangers observed Thinking Day with a candle for comradeship ceremony. February 22nd is a day of friendship when we remember the five million Guides and Scouts in 49 countries that are members of the world association. It is a day of prayer and dedication when we repeat the fourth law of Guiding.

A Guide is a friend to all and a sister to every other Guide. When Kilgore wrote these lines East is East and West is West he took for granted that the whole world could identify east from west as simply as identifying right hand from left. This is not so today. As the sun rises around the world on February 22nd and every other day may we shed the warm greetings of the Girl Guides of Canada on all our sister Brownies, Guides and Rangers. As each Ranger lighted her candle she repeated and demonstrated the law with her fingers.

1. A Guide's Honour is to be trusted. (look at your thumb) — Big, sturdy most important, helps all the

fingers do their job. Unless a Guide can be trusted all other accomplishments are of very little value.

2. A Guide is Loyal (your pointer finger) — Showing the way she should go. The way of belief in herself and her ideals and faith in her leaders. Honour and loyalty fits together, just as the thumb and pointer finger go together.

3. A Guide's duty is to be useful and to help others (the middle or thumb finger) — The longest and strongest, ready and willing for the cap of useful service.

4. A Guide is a friend to all and a sister to every other Guide (this is the heart finger or wedding ring finger) — Reminds us of the great love which a Guide feels and shows towards others.

5. A Guide is courteous (the little finger) — Does it fit? Tuck your finger down and try to imagine your hand without it. Looks odd and unbalanced too. Think of the law, perhaps it could be omitted but think how odd life would be without little courtesies please and thank you, I beg your pardon and excuse me, rising to offer a seat, shaking hands, considering other persons and all the little things that makes the wheels of life run smooth. They give balance to life just as the co-operation of the little finger makes the task of the hand easier and better.

6. A Guide is a friend to animals (the little finger on your right hand) — Same thought applies for kindness to animals and shows a desire to care for all God's creatures. These two laws supply the oil to keep life running smoothly.

7. A Guide obeys orders (the third finger — not a ring finger — never two wedding rings) — Think of the salute when you make your promise, three fingers up, thumb holding the little finger down and tell what the three fingers stand for in the salute to do my duty to God and the Queen, to help other people at all times, to obey the Guide law. This is the obey finger.

8. A Guide smiles and sings under all difficulties (middle finger) — This goes on the biggest finger because it is such a hard thing to do — to keep cheerful when you are ill or worried. It's easy enough to be happy when life goes by like a song, but the one worthwhile is the one who can smile when everything goes dead wrong.

9. A Guide is thrifty (this is your Peter Pointer finger) — Again, this law is like a pointer or a sign post, guiding us to a measure of security by taking care of the gifts of life — material ones like food, clothes and money. More important still are the precious gifts of time, energy and mental powers. We can replace to a certain degree waste of material things but time cannot be bought or replaced — once wasted it is gone.

Reckless spending quickly exhausts the supply and wonderful gifts are frittered away.

10. A Guide is pure in thought, word and deed (the thumb again). — You will notice the two laws, the first and the last, deal with the inner life with the standards and ideals and thoughts which each person has for his very own. They are a part of you and your thoughts are seen in the words you speak and the things you do. The sturdy, dependable strong thumb fits.

This portion of the meeting closed with the Ranger Prayer:

"O God teach us Land Rangers how to love. Help us to be tolerant in all things wide in our outlook and kind in our dealings with everyone. Open our eyes to the good in everything and so fill us with thy light that nothing may ever be able to upset or irritate us. Help us to realize that only by giving out love and happiness can we ever attain perfection and so serve thee worthily as Land Rangers." Amen.

High School Basketball

(By John Svoboda)

On Saturday, February 2nd, the Stirling high school Bantam Boys' Basketball team journeyed to Campbellford to take part in the third and last bantam tournament. In this championship tournament Madoc emerged as the district champions with a thrilling 34.33 upset win over St. Mike's, of Belleville. Our boys did not fare so well but made a creditable showing.

The boys' first game, against Norwood, was lost 12-6 and this forced them into the consolation round. They advanced to the consolation championship game by beating Campbellford 21-10.

In the final game a tired Stirling team lost to O.S.D., Belleville 25-16 and came home experienced and ready for next year.

In the final tournament Jack Rose and Richard Wagner led the scorers for Stirling with 11 points each. John Vreugdenhil with 7 points, Dave Short with 6 points and Glenn Stapley and Jim Thain with 5 and 3 points respectively, completed the scoring.

This was the first year we have had a bantam team and the boys held their own all the way. Mr. Allcorn must be complimented for his fine efforts and good coaching. The team also must be congratulated. They were: Jack Rose, Dave Short, John Murray, John Vreugdenhil, Jim Thain, Richard Wagner, Glenn Stapley, Ross McIntosh, Gary Mayell, Brian Cooke and Barry Pyear.

In total annual output, Canada ranks 10th among the world's 53 steel-producing nations.

NEWS FOR THE BUSY FARMER

FARM BUSINESS AGREEMENTS CONFERENCE AT K.A.S.

Over 100 farmers and farm leaders from Eastern Ontario attended a day-long conference devoted solely to Farm Business Agreements on Feb. 27, at the Kemptville Agricultural School. It was the first such conference to be held on such a scale in this area.

Speakers and topics included: Lawyer Hugh J. O'Donnell of Perth, "The Law and Farm Business Agreements;" Accountant James J. Fairfield, Brockville, "Bringing Security into Farm Business Agreements;" Life Insurance representative H. V. Passmore, of Brockville, "Protecting the Farm Business Assets;" A. H. Harrison, of the Farm Credit Corporation, "Credit Use and Farm Business Agreements;" T. H. France, of the Kemptville Agricultural School Staff and farm management specialist, "Planning for the Future."

J. M. Purvis, Head of the Division of Economics, K.A.S., chaired the programme and led a panel of guest speakers on specific discussion of a typical case problem involving a farm operating agreement and transfer of assets from father to sons.

A. M. Barr, Principal of K.A.S., in welcoming the group pointed out that young farm people in many cases are continuing with more education and may not have opportunity to be in close contact with farm business problems.

WATER SUPPLIES FOR THE FARM

Water supply problems on the farm may be concerned with either the quantity or quality of the water. Both aspects are equally important but nearly every year many farmers are faced with the costly expense of hauling water by truck because their well went dry.

Several reasons account for water shortages in recent years. One is the increased demand for water. The limited number of studies that have been made lately show that household water requirements on the farm are

not too dissimilar from those in urban areas. This situation is quite understandable because domestic water systems with hot and cold water readily on tap, modern bathroom facilities and automatic washers are becoming common items in the farm home. In addition to these new demands, larger livestock holdings have increased farm water use tremendously.

Weather will, of course, play a major role particularly on those farms with dug wells. Usually, dug wells only penetrate a short distance into a sand or gravel deposit which may only hold a small reserve of water. These deposits must be replenished quite frequently by rainfall; otherwise, the water table will drop too low for the pump to operate or the well will dry up completely. Water shortages due to this condition frequently occur in the fall and in many areas, in the winter. Precipitation in the form of snow affords no recharge of water, and unless a good winter thaw is experienced, the water table gradually drops below the bottom of the well.

There is no single solution for all circumstances. A drilled well to a deeper and more reliable water bearing formation has solved many farmers' problems in the past. The experience of neighbours with drilled wells will be a valuable guide to the probable depth and quality of water. Additional information on the possible success of a drilled well may also be obtained from Ground Water Division, Ontario Water Resources Commission, Toronto.

If a drilled well is not feasible, deepening and cleaning the existing dug well may be a satisfactory solution provided the water-bearing material extends to an appreciable depth below the present well bottom. When water is obtained from a sand formation, excavation to a depth much below the water table may not have been possible originally because the sand caved into the well. The use of a "well-point" driven into the formation below the well bottom has proved to be a satisfactory solution in many cases. A well point consists of a small diameter well screen fitted to

the lower end of a pipe. Water is drawn through the screened section which excludes the sand. It is important to select a screen with the proper size of openings. An analysis of the sand formation should be made by the dealer to assist in this selection.

The possibility of constructing a farm pond should not be overlooked. A pond may store a portion of the millions of gallons of water that run off the surface of farmland each spring. Located near the farm buildings, a pond can also provide a water source for fire protection and recreation, and will add beauty to the farmstead. Not every farm, however, has a suitable site for a pond. Therefore, to avoid costly mistakes, advice and assistance from your Conservation Authority or local Agricultural Representative's office should be obtained before proceeding with construction.

CHAIN SAW LETHAL WHEN USED IN SILO

Very recently a farmer lost his life in a silo accident in Waterloo County. The exact circumstances are not known, but when he died he was trying to cut down the frozen silage from the silo wall with a chain saw. While this can be a fast method it is extremely dangerous.

Firstly, carbon monoxide fumes from the chain saw motor will stay at the level of the operator, since there is little ventilation in a silo. These fumes can be lethal.

Secondly, there is danger of fire from spilled fuel, which could be fatal in such an enclosed space, and thirdly, the hazard of the chain ricocheting off the concrete wall and injuring the operator is quite obvious.

The use of the chain saw for scaling off frozen silage is not recommended

by the manufacturers and is highly dangerous. A few minutes with an axe or pick each day reduces the hazard of falling chunks during mild weather and would prevent a similar fatal accident. So if you've been thinking of using a chain saw for this purpose — don't!

Annual Meeting Wheat Producers

The annual meeting of Hastings County Wheat Producers was held Thursday evening, February 28th at the Department of Agriculture Office in Stirling. The meeting was held in conjunction with the County Federation of Agriculture meeting attended by about 30 persons.

Local wheat producers elected to the County Wheat Committee for the

coming year were: Cecil Ketcheson, Chairman; Charles Farney, Secretary-Treasurer; George Carlisle and Lloyd Shepherd.

Mr. Ketcheson was also elected to represent Hastings as District Committeeman for District 9.

Mr. Peter MacKinnon, Bath, District 9 Director of the Ontario Wheat Producers' Marketing Board, was the guest speaker at the event.

Cooking Comments

Have you ever made a custard sauce that curdled. Just when you wanted it to be perfect to top a steamed fruit pudding? Food experts tell us that a custard cooked over direct heat will almost always curdle. Also, if cooked too long it will curdle. The answer is to cook a custard in a double boiler and only until the mixture coats a metal spoon.

LEGION NOTES

At a recent meeting of the Branch executive committee, it was decided to hold the annual Membership Night on Monday, March 18th. Once again this important event will take the form of a pot-luck dinner and social evening. All present and prospective members are asked to reserve March 18th for this outstanding event.

Comrade Fred Houchin is organizing a special programme of entertainment to follow the pot-luck dinner. We understand that some outstanding musical talent will be on hand. Anyone who wishes to assist Comrade Fred in arranging the programme should contact him at once.

A special branch bulletin will be mailed to all members in the very near future. It will contain a special appeal to each member to assist in boosting Legion membership. Anyone who knows of a prospective Legion member is asked to contact Comrade Doug Patterson.

Branch members are advised that their dues, if not paid by March 31st,

Why Should You
Join The Legion?

Another good reason is the outstanding work being done by the local branch in sponsoring minor sports such as softball and hockey. All across Canada Legion branches are spending a great deal of money, time and work to provide healthful recreation for our young people. Veterans everywhere can help to keep this important community service working by becoming members of the Legion.

A final reminder that the annual Membership Night will be held at the Legion Hall on Monday, March 18th, starting at 6.30 p.m. Plan now to attend and watch for further details in the Branch Bulletin which will reach you shortly.

Juveniles Take First Game in O.M.H.A. Juvenile 'C' Series From Bobcaygeon

Rowe, Local Goalie, Gave Sparkling Display—Large Crowd Sees Exciting Game

Led by Grant Hagerman, who potted four goals, the Stirling Juveniles put on their best offensive display of the season to take the first game in the O.M.H.A. Juvenile "C" semi-final series from Bobcaygeon. The game was played on Monday night in Stirling Arena before one of the largest crowds of the season. The final score was 8 to 4.

Donohoe, with three goals, and A. Faulkner, with one, were the other goalgetters. However, it was an all-around team effort that made victory possible. Defensively the locals showed a weakness in clearing the puck from their own defence area but Rowe more than made up for any lapses. Time and time again he smothered drives from all angles with one and two opponents on his doorstep trying to bat the rubber home. He was particularly brilliant on close-in drives and to him goes much of the credit for the win. The line of Donnan, Donohoe and Hagerman flashed the best hockey for the locals but were closely followed by Faulkner, who checked like a fiend all night in addition to getting a goal. Wright and Noble. Donnan, in addition to playing a strong game on offence, was used on the defence in the dying minutes of the game. Potts and Wrightman were the best of the defencemen but Boslak, McMaster and Bolte all played well.

The scoring for the visitors was divided equally with Ingram, Nichols, Oliver and Shearer getting singletons. The visitors are a well balanced, fast skating squad and the return game in Bobcaygeon on Saturday night should be a thriller.

The Game

The visitors opened the scoring in just 32 seconds when Ingram beat Rowe cleanly. Stung by this setback the Stirling lads rallied and counted three times in a little over six minutes. Hagerman, who was going in his old-time style, got the first on a pass from Donohoe, who got the second on an assist from Wrightman. Faulkner got number three on assists from Wright and Noble before the visitors got their second counter, Nichols being the marksman. Two minutes later Hagerman and Donohoe combined with the former scoring and Donohoe made the score 5 to 2 at the 17:48 mark unassisted.

Set Dazzling Pace

The second period opened with both teams setting a dazzling pace and play ranged from end to end, with both goalies being called on to make sparkling saves. At the 3:51 mark Hagerman counted for the home club only to have Oliver score for the visitors on an assist from Griffin. From then until near the end of the period neither team could score. Donohoe, on assists from Donnan and Hagerman, made the score 7 to 3 at the 18 minute mark and Shearer, from Nichols, scored for Bobcaygeon to end the period 7 to 4.

In the final stanza the speed of the first two periods began to tell on the players and the pace slowed down. Play roughened up a bit and the officials, who had been particularly lenient heretofore, began calling every infraction resulting in ten penalties, six to the visiting club and four to the home team. Hagerman got the only counter of the period at 5:07 to make the final score 8 to 4.

Lineups:

Bobcaygeon—Goal, Junkin; def., Grills, R. Shearer; centre, W. Shearer; wings, Ingram and Nichols; alternates, Oliver, Griffin, Platten, Martin, R. Oliver, Wray and Jettier; spare goalie, D. Junkin.

Stirling—Goal, L. Lowe; def., Potts and Boslak; centre, J. Donnan; wings, G. Hagerman and R. Donohoe; alternates, Bolte, Faulkner, Vandervoort, McMaster, Wrightman, Wright, Noble and Bird; spare goalie, Bob Morrow.

Summary:

First Period:
Bobcaygeon—Ingram, Shearer, Nichols 32
Stirling—Hagerman (Donohoe) 1.40
Stirling—Donohoe (Wrightman) 3.34
Stirling—Faulkner (Wright, Noble) 6.03
Bobcaygeon—Nichols (Shearer, Ingram) 10.12

Gave Safety Talk at Public School

Sgt. R. W. Blatchford, of the Belleville Police Department, addressed the pupils of the Stirling Public School on "Safety" on Monday afternoon. The pupils were divided into groups and a safety film was shown in conjunction with his talk. Chief D. Ketcheson accompanied Sgt. Blatchford and Principal Marvyn Scott expressed thanks on behalf of the pupils and members of staff.

Division Court Sitting Here

Hastings County Fifth Division Court held a sitting in the local Council Chambers on Wednesday. Judge J. C. Anderson presided over five cases and Duncan Montgomery acted as Clerk of the Court.

River Valley W.I. Supper and Program

On Saturday evening, March 9th, approximately fifty men, women and children gathered at the I.O.O.F. Lodge Hall, Stirling, and all enjoyed a delicious pot luck supper. Mrs. Chas. Wilson and her group convened the affair for the River Valley Women's Institute.

Mrs. Kenneth Myers was chairman for the programme which followed and she welcomed the non-members from the Valley.

Mr. E. C. Hay-Ellis showed movies which were both educational and beautiful. The first series was a movie of the lovely Kashmir Playgrounds in the Far East. These were taken by his daughter Pamela who was holidaying in that region and enjoyed a tour from New Delhi to Kashmir.

The second movie depicted scenes in England where the family lived which included Stratford on Avon in June 1956, pictures of Geneva, Switzerland and a group of children from a Middlesex school on a conducted tour in charge of Mr. Hay-Ellis.

Then followed the family trip through Europe which included mangos in their natural state and scenes of the north coast of Spain and many other lovely views. When the family arrived in Canada they visited Casa Loma, Toronto, Niagara Falls, Ivy Lea Bridge, the Blue Ridge Mountains of Virginia and many other scenic points. The two movies were exceptionally good and Mrs. Roy Bush voiced appreciation to Mr. Hay-Ellis for this presentation.

Mrs. Percy MacMullen recited a humorous selection. Mrs. Harry Brown, of Carmel, guest musician, delighted with several selections of accordion music throughout the programme. Mrs. Jack Bush read two humorous poems, "Monkeys" and "Fellow Voters." Mrs. George Heasman read "Being Brave at Night" for the children in the audience; also "Ma and the Auto" and "Butter Fried Sausages." Mrs. Philip Conley was pianist and Mr. Jack Bush led in a round of assembly singing of favourite songs.

Thanks was expressed to all who had made the evening a success. The silver collection amounted to eleven dollars.

Stirling Lady Has 100th Anniversary

On Friday, March 8th, Mrs. Jane Munro, Front St. W., marked her 100th birthday anniversary. Friends and relatives gathered at the home of Mr. and Mrs. W. L. Munro, with whom she resides, to pay honour to this active centenarian.

In addition to numerous gifts and cards she received telegrams from Queen Elizabeth, Mr. and Mrs. J. Villetorte, who are holidaying in France, Premier J. Roberts of Ontario, and Mr. and Mrs. John Munro of Burlington. She also received congratulatory letters from Prime Minister John G. Diefenbaker, R. Webb, M.P., Hastings-Frontenac, Lee Grills, M.P., Hastings South, Geo. Doucette, M.P., Lanark and a special certificate from the Province of Ontario.

A large birthday cake, encircled with candles and centred with pink sweetheart roses, occupied a prominent place, while beautiful bouquets of flowers were in evidence from the Village Council, St. Andrew's Presbyterian Church, Ontario Intelligencer and others.

Woodbridge Defeats Bantams

Woodbridge Bantams won the first game of the semi-final series against Stirling at the local arena on Saturday night. The final score was 15 to 1. The second game will be in Woodbridge Saturday.

Men's Ten Pin Bowling League

Donald McCrory's took 5 points from Ralph Scea's team, leaving them 2. This brings Don's team up to just one point behind Ralph's. Competition will be keen this week. Don McCrory had the high single of 175 and Ralph Scea the high triple of 481.

Other good triples were Don McCrory 444 and Harold Johnson 414.

Farm Land Within Village Limits Relieved of Sewerage Assessment

Council To Request Flasher Light at Front St. West and Frankford Rd. Corner

Relief from payment of sewerage rates was granted owners of farm land within the village limits at the regular meeting of Village Council held on Thursday night last. This action was taken by Council in response to submissions made by farm property owners and is according to the municipal act. However, it was pointed out that it is only the land assessment that is affected. The assessment on the buildings will be subject to the same qualifications as any other village property. The clerk was instructed to prepare the necessary by-law.

Reeve G. C. Mouck presided and Councillors Noble, Chambers, Jones and Anderson were in attendance.

Correspondence tabled by the clerk included letters from: Town of Trenton, re Relief; Dept. of Education, re Early payment of Grants; Liquor Licence Board, re Agreement approval; N. G. Browne, re Subsidy on traffic lights; Robert Tracey, re equipment rental; Office of the Prime Minister, re Resolution endorsement; O.W.R.C., re: 1. List of Officers; 2. Operating Costs 1962; 3. Estimates for payments in 1963; Dept. of Highways, re Highways 14 and 33; Proctor and Redfern, re traffic signs; Stirling Public Utilities, re Approval for Street Lights; Dept. of Lands and Forests, re Flood conditions; L.O.D.A., re Magazine; Shamrock Cheese Company, re Sewer connection; Ontario Police Commission, re Toronto Meeting; Dept. of Municipal Affairs, re Drainage Act; O.M.E. re survival course, and D. M. Ketcheson, re monthly report.

Approve Street Lighting

Approval of street lighting expenditures was granted the local Public Utilities Commission on motion of Councillors Noble and Jones.

James Palmer waited upon council with reference to his sewerage connection. Councillor Jones had investigated the matter and on his motion seconded by Councillor Chambers, Council agreed to pay half the disputed bill amounting to \$28.75. The report of Police Chief D. M.

Good Program At March Meeting Horticultural Society

The March meeting of the Stirling Horticultural Society was held at the home of Mrs. Murney Scott, Front St. W., on Monday afternoon. Plans were made for the annual flower show to be held on June 13th. Another Society is to be invited to the meeting on April 22nd.

The President, Mrs. F. Armstrong, read "Canada's Floral Emblems" and later held a contest on them, which was won by Mrs. M. Clancy. Garden hints were read by each member. An interesting article on the growing of Gloxinias was read by Mrs. F. Armstrong. The members enjoyed hearing Miss Jane West speak on "The Protection of our Song Birds," the speech for which she had won first prize in the District Public School Speaking Contest.

A delicious lunch was provided by Mrs. R. Bush, Mrs. M. Aythart, Mrs. J. Chambers and Mrs. H. Waite, assisted by the hostess.

Fans To Follow Team

Two busloads of fans will accompany the Stirling Juvenile Hockey Team to Bobcaygeon for the Saturday night game. At time of going to press all seats were sold. Doubtless there will be several carloads going along as well.

Pee Wees Won

On Monday night Stirling Pee Wees defeated Tweed 8-0 in the round-robin series for the Eastern Ontario O.M.H.A. "C" Championship. Russ Hagerman, with three, and Robert Bastardo, with two goals, paced the locals.

Play Norwood Here

Tonight (Thursday) at 7 p.m. they play Norwood at the local arena to decide the championship.

Ketcheson was accepted on motion of Councillors Anderson and Noble.

A broken catch basin on James St. was the subject of discussion and the Clerk was authorized to bill Meyers Transport \$25 to cover damages incurred February 19th last.

Delegation

A delegation of Shamrock Cheese Co. directors waited upon Council seeking a sewer connection to the factory. George Carlisle, president, acted as spokesman for the delegation. After discussion two reasons against granting the request were submitted by Council, firstly that it was doubtful if the Ontario Municipal Board would grant any extension of the debenture debt for such a purpose and secondly, council had been advised against allowing whey in the lagoon.

D. W. Rodgers, Stirling representative on the Stirling-Rawdon District High School Board, addressed council regarding the 1963 budget and the new courses of study to be offered pupils at the school.

Ask For Flasher

The traffic situation insofar as the Front St. and Frankford Road corner was discussed at some length and on motion of Councillor Jones and Anderson, Council will make application to the County of Hastings for the installation of a flashing signal light at this point.

Council appointed Messrs. Jones and Anderson as a delegation to wait upon Sidney Council to discuss school matters.

Picture Screen Damaged

Frank Broekema reported the picture screen in Stirling Theatre had been damaged on the night of March 1st or 2nd. The matter was left in abeyance.

Council went into committee of the whole on by-laws and By-law No. 645 for the expenditure of \$10,000 for maintenance of village streets in 1963 was given its several readings and passed. The By-law goes to the Department of Highways for approval. The following accounts were passed for payment:

Awards Presented at Annual Boy Scout Father and Son Banquet

Ten-Year Service Pin Presented to D. O. Duffin—St. James' Ladies Caterers

The annual Boy Scout Father and Son Banquet was held on Tuesday, March 5th, in the Stirling Community Hall. The ladies of St. James the Minor Church served a delicious turkey dinner, after which J. Irish led in a sing-song with Mrs. B. Woodbeck at the piano.

C. E. West, Group Chairman, was master of ceremonies and introduced the leaders and guests.

The toast to the fathers was ably presented by Douglas Faulkner and L. Rawlings gave the response.

Presentation Service Pin

David Duffin, who has served on the local group committee for many years, was presented with his ten-year service pin by J. Irish in appreciation of his efforts on behalf of scouting. He began in 1947, when he helped H. E. Baker with the Cub Pack. He served two years as chairman and was District Commissioner for two years. Since then he has served the local committee.

Mrs. R. B. Murray thanked the ladies for the lovely meal.

Badges and stars were presented by the leaders to the following:

A film was shown courtesy of the Coca Cola Company on the World Jamboree held in England. Mr. Clare West thanked Mr. Don Charlton for showing the film.

Squirt Play-offs

Playoffs were held on Saturday, March 9th in the Stirling Squirts Play-off League.

In the semi-finals held in the morning "Morton's Wreckers," coached by H. Parsonson, were eliminated by Lindsay Sills' team of "Noble's Drugs" by the score of 4 to 2. The "Lumber Kings," coached by Richard Osmond, were defeated by Doug Potts' team of "Morton's Body Shop," by the score of 6 to 4.

Final games results held in the afternoon was Noble's Drugs 6 and Morton's Body Shop 4, with the former being declared champions of the Stirling Squirt Hockey League.

I am sure the other coaches and players agree it has been a fine season. I wish to give special thanks to Bob Crossman who acted as referee.—H. L. Parsonson.

Due to extra advertising, a number of news budgets were left out. These will be published next week.

Entertain Relatives

Mr. and Mrs. C. B. Rollins entertained a number of relatives on Saturday evening in honour of George Rollins, of Hartney, Man., who leaves for home tomorrow (Friday) after spending some time in this district. During the evening he was presented with a pen and pencil set.

Among the guests were Mr. and Mrs. Harper Rollins, Mr. and Mrs. Howard Cooke, Mr. and Mrs. Wm. French, Garfield Runnalls, Mr. and Mrs. Albert Cooke, Mr. and Mrs. Lorne Cooke, Mrs. Frances Thompson and Mrs. Don McInroy.

St. John's Afternoon Guild

The regular business meeting of St. John's Ladies' Afternoon Guild was held in the Parish Hall on Tuesday, March 5th, with 12 members and one visitor present.

The President, Mrs. E. C. Hay-Ellis, opened the meeting with a hymn, with Mrs. F. McGee as pianist, followed by prayer, the Lord's Prayer and the Guild Prayer.

The Secretary, Mrs. S. McCrory, read the minutes. Mrs. H. Parsonson gave the Treasurer's report. She also gave the report on the Pancake Supper and the I.O.D.E. banquet.

Mrs. Hay-Ellis gave her report on sick calls. Mrs. F. Harding read a thank you letter from Mrs. Downing. Mrs. F. McGee read an invitation from the St. Andrew's Church group to attend in a body on March 12th.

A discussion on flowers for the altar was held. Mrs. Hay-Ellis thanked the ladies who helped to make the Pancake Supper and I.O.D.E. banquet so successful.

Rev. F. Downing was able to be present for a few moments prior to his and Mrs. Downing's departure for the west coast on Friday, March 8th.

Rev. F. Crook brought the meeting to a close with prayer and a reading, "Lead Us Not Into Temptation." Mrs. F. McGee read "Do It Now" and Mrs. Hay-Ellis "What Shall It Be." Mrs. F. McGee and Mrs. Hay-Ellis conducted a contest which was enjoyed by all.

A dainty lunch was served by the hostess. Mrs. F. Harding voiced the appreciation of all.

Wellman's United Church Women

Mrs. Byron Seeley was hostess to the ladies of Wellman's United Church Women on Tuesday, March 5th. There were 16 adults and seven children attending.

The President, Mrs. John Carlisle, gave the call to worship, followed by all singing the theme hymn. Mrs. Frederick Beckett was musician for the meeting.

Mrs. Kenneth Tompkins was in charge of the devotional period, opening with a verse from the Bible, "Ponder the path of thy feet and let all thy ways be established." Psalm CXIX was repeated responsively. The hymn "Show Me Thy Ways O Lord," was sung, followed by prayer by Mrs. Tompkins. Nine Scripture verses were read by different ladies denoting "how" we are to guide our way. Mrs. Tompkins commented on how we

should be guided according to these verses and closed the message with prayer. The hymn "Through all the changing scenes of life" was sung.

The roll call, naming a Book of the Old Testament, was well answered. Little Miss Valerie Clancy took up the collection which was dedicated by Mrs. Carlisle.

The minutes, read by the Secretary, Mrs. Ken Tompkins, were approved. The correspondence was read. A brief business discussion took place.

A reading was given by Mrs. W. Fleming entitled, "A Boy's Thought."

Mrs. Omar Dracup conducted a very interesting Bible study. She introduced this study by giving some of the examples of worthless worship, like idol worship and the philosopher's idea of worship. Various verses of Scripture were read identifying God as an infinite and personal God. Other passages read showed Jesus' rank of position as compared to any other. Everyone took part in the readings from the Bible which were from both the Old and New Testaments.

Mrs. Jim Pollock sang "Did You Stop to Pray This Morning," accompanied by Mrs. Gerald Clancy. Mrs. Kenneth Tompkins conducted a contest after which Mrs. Carlisle thanked the hostess and everyone taking part at the meeting, then pronounced the benediction.

A social half hour was enjoyed while the hostess and her assistants served refreshments.

Monthly Meeting Stirling W.I.

Mrs. Russell Rupert welcomed the
members of the Stirling Women's
Institute into her home for the March
meeting on Wednesday afternoon.

Mrs. Dave Luery was pianist for the
meeting which opened with the sing-
ing of the W.I. Ode. With Mrs. B.
Reid presiding the meeting was
opened for business. Roll call, "Name
an industry out of the Village," was
responded to by every member and 5
visitors.

The Secretary, Mrs. B. Bronson,
read the minutes and correspond-
ence. Two thank you cards from the
Rodgers and McGee families and Mr.
and Mrs. D. Luery were read; also a
letter from the newly-elected Feder-
ated President, Mrs. L. R. Trivers and
a letter containing a donation from
Mrs. J. Johansen, of Canmore, Alta.,
were received. The Secretary dis-
tributed the Home and Country and
Federated News. The Bible, a prize
for scripture reading at the Stirling
Festival of Sacred Praise, was passed
around for viewing.

Mrs. W. C. West, Treasurer, report-
ed monies received for rentals of
dishes and outstanding bills for quilt
materials, etc. More pitchers and two
sizes of spoons will be purchased to
replenish the kitchen.

Mrs. Munro, Front St. W., will be
remembered by the W.I. on her 100th
birthday anniversary.

Mrs. Reid and Mrs. Foster are
making progress in the quilt business.
A quilting, along with a pot luck din-
ner will be held in the Community
Hall on Thursday, March 20th. The
doors will be open for all quilters of
the Village who feel it their duty to
help along with this good work for
the Scott Mission, who with our small
portion of help through January,
were feeding on an average of 750
men each day, clothing 70 men each
day and 69 families each day. Besides
personal necessities such as soap,
razor blades, car tickets, fuel and
medicine were being given out. Men
who were finding a bit of work need-
ed gloves, mitts, warm underwear,
extra sweaters, overshoes and over-
coats, and women who found part-
time jobs needed warm and descent
clothing to go among others. It is
quite plain why the Scott Mission is
called "The Good Samaritan" Corner.
All from this community, who have
from time to time, so willingly shared
your clothing for this great need have
a share in that Good Samaritan Cor-
ner.

The visitors at this March meeting
most willingly offered to piece blocks
for a relief quilt.

The collection, both regular and
Pennies; also the holiday plate con-
tribution, was well responded too.

The April meeting will be held at
the home of Mrs. C. Wright, Emma
St., on the usual first Wednesday of
the month. The District President
will be invited for her official visit.
The 1st Vice-President of the branch,
Mrs. Frank Smith, will conduct the
business of the meeting with Mrs. B.
Reid and Mrs. D. Luery as lunch com-
mittee.

For the closing of this meeting all
joined in singing "The Queen."
"Canadian Industries" was the
topic chosen by Mrs. W. C. West. Mrs.
B. Reid gave a reading "Which Are
You?" Mrs. D. Luery gave a humor-
ous reading entitled "Aunt Bet's Say-
ing the Superiority of Men."
Jane West gave her address on

Commissioner Ont. Prov. Police

Eric H. Silk was recently appointed
Commissioner of the Ontario Provin-
cial Police. Mr. Silk has been with
the Ontario Government since 1934.
He became the province's first Legis-
lative Counsel and during the past
years organized the office of the
Registrar of Regulations. In 1955 Mr.
Silk studied traffic safety programs
and recommended the point system
later adopted by the Government. In
1959 he headed a study of the Coroner's
system in Ontario and his report
resulted in a revision of the Coroners
Act and provided the pattern for re-
organizing the Coroners' system
across the province. Mr. Silk was ap-
pointed to study the county and dis-
trict court system and related matters
in the fall of 1960. His report was
ready in the fall of 1961 and at the
last Session of the Legislature a num-
ber of his recommendations were im-
plemented by legislation. He has been
closely identified with the Ontario
Provincial Police having lectured
regularly at the Police College, repre-
sented the Attorney General in con-
nection with the Provincial Police
building programme and been both
formal and informal adviser to the
officials of the force.

"Birds," which she presented splen-
dily, telling of their proper feeding,
housing and the joy of having the
birds around. For her efforts Mrs.
Bronson presented Jane with a gift
on behalf of the W.I. members.
A dainty lunch was served and en-
joyed, along with the usual social
chat. The Secretary moved a vote of
thanks to those who helped make the
meeting such a pleasant one; also the
hostess for opening her home and the
lunch committee, Mrs. M. Ayhrhart and
Mrs. R. Rupert.

World Day of Prayer Held at St. John's

Representatives of elementary
schools in five Eastern Ontario
Counties will meet at Havelock on
Saturday afternoon, March 16th, for
the Zone 3 finals of the province-wide
elementary school public speaking
contest. District winners from North-
umberland, Peterborough, Prince Ed-
ward, Hastings and Durham will
compete for the right to represent
Zone 3 in the provincial finals in Tor-
onto.

The local contests, sponsored by
Women's Institutes and other public-
minded groups, are jointly-sponsored
across the province by the Ontario
School Trustees and Ratepayers As-
sociation, the Ontario Municipal
Electrical Association and Ontario
Hydro. The Zone winner will receive
a Hydro Trophy and a two volume
encyclopedia dictionary presented by
the O.M.E.A. Each contestant will
receive an encyclopedia year book.
O.M.E.A. will also contribute toward
the winner's travelling expenses to
Toronto for the provincial finals to be
held during the Ontario Education As-
sociation convention in Easter Week.
All prizes at the provincial finals are
provided by Ontario Hydro.

The Zone three finals will be held
in the Havelock Town Hall beginning
at 1:30 p.m. on Saturday, March 16th.

Public Speaking Finals at Havelock

The World Day of Prayer was ob-
served in St. John's Anglican Church
on Friday afternoon, March 1st,
when a goodly number of the ladies
of the different congregations of the
Village attended and took part in the
programme.

Mrs. Frank McGee and Mrs. Stuart
McArton ushered and Mrs. Ernest
Carr, of St. John's, conducted the
service which followed the program
issued by the Women's Inter-Church
Council of Canada.

Mrs. Volney Richardson, of St.
Paul's, delivered the address on the
theme and purpose of the World Day
of Prayer.

Others who assisted during the ser-
vice were Mrs. David Duffin, Mrs. C.
West, Mrs. Jack Bush, of St. Paul's
United Church; Mrs. James Johnston,
Mrs. Don Farney and Mrs. T. Dodds,
of St. Andrew's Presbyterian Church,
and Mrs. E. C. Hay-Ellis, Mrs. Frank
Harding, Mrs. Wm. Webber and Mrs.

can Church.

Miss Helen Morrow presided at the
organ throughout the service.

Misses Vicky Hay and Ellen Rod-
gers contributed a vocal duet during
the service.

High School Basketball

(By John Svoboda)

Congratulations Stirling Seniors

On Thursday, March 7th our sen-
iors won an outstanding victory over
Tweed with a score of 68 to 53. Andy
Faulkner proved to be the Stirling
"Star" by netting 33 points. Al Fletch-
er, who started his real scoring in the
second half, merited 21 points. The
other members, led by these two, de-

serve special felicitations for the "all-
out" effort put forth.

This victory is very noteworthy for
it has increased Stirling chances of
winning the Centre Hastings Cup. A
victory against Madoc, the game to be
played this Thursday (March 14th) in
Madoc, will place a trophy in our
school's showcase.

Good luck, boys!

**Kitchen Shower for
Mrs. Gerrard Ryan**

A delightfully arranged shower was held on the afternoon of February 16, for Mrs. Gerrard Ryan (nee Wendy Warren), at the home of Mrs. R. L. Hatton, with Mrs. Garry Poste and Miss Marjorie McArton as co-hostesses.

The guests were received by Miss McArton and Mrs. Poste and the bride was given the seat of honour in a daintily decorated chair tied with pink bows and pink and white streamers. The bride was presented with a corsage of yellow rose buds and white carnations.

Much hilarity arose from unique contests and games, with original prizes for the winners. Wendy was presented with a white leather "Bride's Scrapbook," to which everyone added their advice and best wishes.

The prettily wrapped gifts were opened by Mrs. Ryan who expressed a very special thank you and appreciation for the lovely selection of kitchen ware and dishes.

The buffet table was covered with a white linen cloth and centred with yellow daffodils and white carnations, flanked by tall white candles and decorated with bows, a wedding bell and streamers.

A delicious pot luck supper was enjoyed by the guests, many of whom had been classmates of the bride. The guests included the bride's mother, Mrs. E. Warren and the groom's mother, Mrs. J. Ryan.

CANADA DEPARTMENT OF AGRICULTURE

FROZEN FOODS

Frozen foods are gaining in popularity with both retailer and consumer. The natural colour, fresh flavour and tender maturity of frozen fruits and vegetables as well as their convenience is widely recognized. The appearance, quality and packaging of these products is usually satisfactory but in many cases dehydration, excess ice crystals and broken packages detract from the appearance and quality of the product.

The Consumer Section, Canada Department of Agriculture points out that consumers should carefully check packages of frozen food to see that they are clean, hard and undamaged. Packages which have excess frost crystals or evidence of dryness should be avoided as this indicates that the package has been broken or thawed and refrozen.

Retailers have a responsibility in preserving the appearance and quality of the frozen product. Proper rotation of the packages and maintaining the packages at all times at temperatures of 0 degs. F. or lower are minimum requirements to maintain quality. A thermometer should be used in all cabinets to control temperatures.

Frozen fruits and vegetables are graded as Canada Fancy or Canada Choice and must meet fairly rigid standards of quality. The grade mark is an assurance that the product was packed in a Government inspected plant under sanitary conditions and examined for quality by the Canada Department of Agriculture Inspectors

of the Fruit and Vegetable Division.

Frozen vegetables are graded on such factors as colour, uniformity of size, texture and absence of defects. These points are noted in the product immediately after thawing. Such factors as flavour, degree of tenderness etc. are considered in the cooked product. Standards for bacteria count in frozen vegetables are applied at the processing plant or, in the case of imported products, at the time of entry into Canada.

Frozen fruit is graded on such factors as colour, uniformity of size, condition or texture, absence of defects and characteristics of similar varieties.

Tips On Buying Frozen Foods

These recommendations are made by the Consumer Section, Canada Department of Agriculture:

— Buy graded frozen foods to get top quality products. Look for Canada Fancy and Canada Choice grades.

— Buy clean, hard, undamaged packages. Avoid bags with excess ice crystals or dryness and discoloration in the product.

— Store frozen foods in the home freezer as soon after purchase as possible. The optimum temperature for storing is 0 degs. F. or lower. Higher temperatures cause deterioration in the quality of frozen foods and shorten the storage life.

— Write the purchase date on the package if you buy quantities of foods for the freezer. Then you will know

when they are to come out. Rotate the packages and place old ones on top so that they will be used first, unless they can be stored at 0 degs. F. or lower. It is best to buy only small quantities that can be used fairly quickly.

— Use frozen foods, that have thawed, as quickly as possible. It is not recommended that thawed foods be refrozen as the texture and flavour will be changed and there may also be danger of spoilage.

OF MANY THINGS

(By Ambrose Hills)

WEAPONS OF WAR

Rear Admiral Cecil Coggins, of the U.S. Navy, tells of the yokel at the fair whose wallet is lifted while he stares at the fire-eater; and uses the story as an example of what may be happening to the general staffs of the Western world. They have allowed Russia to blind them with talk of nuclear power, and by suspiciously uncamouflaged nuclear installations in Cuba. Meanwhile, Russia may be preparing devastating weapons of a non-nuclear nature.

He seems to regard this as likely. He says America's nuclear power outranks the Russian striking force by six to one; and that Russia, realizing it is outmatched in this field, may be concentrating on Chemical and Biological weapon systems. It is estimated to have a stockpile of more than 50,000 tons of Tabun — the standard Russian nerve gas.

Had Rear Admiral Cecil Coggins, rather than General Lauris Norstad, been the speaker at Toronto a month or so ago, the heat might have been, on Canada to switch to defence against chemical war. Russia had 106 chemical plants in operation some years ago, and may have more of them now. Chemicals constitute

about 15 per cent of Russia's military stockpile. Not only the army but the entire Russian population is "deadly serious about chemical warfare," according to Coggins; and they have developed simple and effective protective equipment.

Biological war would be even more deadly. Authority for that statement — Colonel Adam Milkovich, of the Moscow Institute.

Perhaps Canada should concentrate on defence against chemical and biological warfare. Such defence is feasible and practical. In the nuclear field we are out of our depth; in chemical and biological warfare we would be tackling something we would be able to handle.

In these fields, the U.S.A. is woefully weak. I think it devotes less than one per cent of its military budget to the task. Surely Canada would be making a worthwhile contribution to continental defence if we set about preparing to meet this kind of threat. It might prove to be a role more in keeping with our capabilities and more important for our survival.

Schools Key To Deverting Youth From Cigarettes

It is now ten years, the Canadian Cancer Society points out, since the "lung cancer scare" began with proof that cigarette tars could cause cancer on the backs of laboratory mice. It is not unreasonable, says a Society release, for educational authorities and parents and others interested in the health and welfare of our youth to ask what is the situation now? Has the relationship between cigarette-smoking and lung cancer been proven? If not, will it ever be?

"Statistical evidence for this relationship," says Dr. R. M. Taylor, executive vice-president of the Society, "has been building up in many parts of the world. The Canadian Medical Association is satisfied that there is a direct link between lung cancer and smoking. The National Cancer Institute of Canada has likewise accepted this relationship. Dozens of medical and health organizations throughout the world have also done so. And yet the cigarette companies can still say with justification, 'There is not yet proof.'"

Dr. Taylor adds, that the simple cause-and-effect proof that lung cancer in human beings can be caused by smoking just cannot be obtained without setting up a laboratory experiment using human beings. "Obviously this is out of the question. Apart from the fact that we do not treat people

in this fashion, there is the time factor; it would mean taking, say 100,000 children and having half of them smoke a pack of cigarettes a day for perhaps 50 years, the other half abstaining, after which it would be determined in which group more had died of lung cancer."

One of the big advances in human history, says Dr. Taylor, was the invention of writing. This permitted human beings to benefit by the experience of others and eliminated the necessity for each individual to learn only his own mistakes.

"Unless we are going to turn back the clock a few thousand years, surely we can accept the truth about lung cancer without insisting on another 40 years or so of experience."

"The statistical evidence is this: the death rate due to lung cancer among men who smoke cigarettes is up to 40 times that of non-smokers; and were it not for the rising rate of death from lung cancer, the overall death rate among men from all types of cancer would be falling in women."

Dr. Taylor points out that the campaign to stop cigarette smoking among adults has not halted the constantly rising consumption of cigarettes. "In spite of this," he says, "the effort to convince students that they should never start the habit, that if they do they will one day wish they hadn't, has been intensified, with commendable co-operation from the schools."

"Upon parents must fall the prime responsibility for the habits of their offspring. But educational authorities can help tremendously in this 'save-the-children' campaign. Indeed, without the help of educational people — even more important, without their good example — a campaign to divert our boys and girls from the dangers of smoking can have little success."

Who Told the Truth?

DO YOU REMEMBER THE DIEF-IN-DOLLAR IN MAY, 1962?

Do you remember the Liberal statement which followed close on the heels of the Government's decision to peg the value of the dollar at a fixed rate — 92½ cents U.S.?

STATEMENT: The Government's decision to peg the dollar "will mean higher prices" for Canadians.

Jack Pickersgill, Shubenacadie, N.S., May 5th, 1962

TRUTH: "President Kennedy estimated today Canada achieved the best record of price stability among all the major industrial countries."

Canadian Press, January 28th, 1963

STATEMENT: "The cost of living is going to increase because of dollar pegging."

Lester Pearson, Wallaceburg, Ont., June 8th, 1962

TRUTH: "A 12-nation comparison of retail price increases over 12 months shows that Canada has been the most successful in keeping down the cost of living. The Canadian increase was just under 1%. The U.S. was only a shade more. Biggest increases were in France, Holland and the U.K., where the cost of living rose over 5%. In Germany and Sweden it rose by 4%."

Canadian Business, September, 1962

STATEMENT: "Dollar pegging is too great a burden for the common man to bear."

Paul Martin, June 6th, 1962

TRUTH: "Devaluation has provided a powerful force contributing to a better external balance, increased production and more employment."

Mercantile Bank of Canada, November, 1962

TRUTH: "In 1962 Canada chalked up the highest growth rate of any Atlantic Community country . . ."

Business Week, December 29th, 1962

STATEMENT: The Liberals claimed that the Dief-in-Dollar would increase the price of a \$3,000 car to \$3,225.

TRUTH: Between the day the dollar was pegged and the end of 1962, the price of that same \$3,000 car WENT DOWN \$9 to \$2,991.

STATEMENT: The Liberals claimed that the price of a \$425 electric stove would increase to \$456.88.

TRUTH: The price of that same \$425 electric stove WENT DOWN to \$423.30

TRUTH: The Canadian dollar is a sound dollar, one of the strongest currencies in the world. The Canadian dollar is a 100-cent dollar in Canada. It still buys 100-cents worth of Canadian goods. Dollar pegging "has helped zoom the value of exports to a record . . ."

NEWS FOR THE BUSY FARMER

NOW IS A GOOD TIME TO REVIEW THAT FARM CREDIT LOAN

In the nine months 1962 — 1 April to 31 December 1962 — Hastings County Farmers received 16 loans totalling \$152,400, an average of \$9,525 per loan from the Farm Credit Corporation, a Federal Government Crown Agency. The main purpose of these funds was to purchase land and retire existing mortgages. For this purpose approximately 80% of total loan funds were used and about 5% were expended for purchase of livestock, machinery, etc. In Ontario 1961-62 there were a total of 1,383 loans made to farmers, whose ages ranged from

21 to about 70. Mr. J. R. Humphries, the local Credit Advisor for Hastings County, from his own observations and discussion with farmers and Agricultural Officials states 1962 was a good year for area farmers.

In 1962 the Farm Credit Act was amended. One change in the regulation governing the appraisal of farms will permit the Farm Credit Corporation to attach greater importance to the value of farm buildings, where they are essential to specialized production. This will make it possible to lend to experienced poultrymen, greenhouse operators, and other farmers whose operation require relatively high investment in buildings on small

areas of land.

Another amendment will permit loans to farmers who must depend on secondary income from other sources to supplement their farm revenue. In the past, only income stemming from the actual production of a farmer's land could be considered in assessing loan applications. Removal of this restriction will enable the Corporation to take into account monies received from a variety of other sources. Mr. Humphries states, however, that it is still necessary that farming be the borrower's principal occupation.

There are two types of loans available to eligible applicants — Part II and Part III. A Standard or Part II loan may be obtained on the security of farm lands in an amount not exceeding 75% of their appraised value or \$20,000 whichever is the lesser, for a single farming enterprise. Secondly, there is a "Package Deal" or Part III loan. This is designed to cover all the long and intermediate term credit needs of capable young farmers starting with limited capital. This type may be obtained in an amount not to exceed the lesser of \$27,500 or 75% of the total value of the real estate, basic herd livestock and necessary farm equipment.

Both types of loans bear interest at 5% and repayment may be amortized over a period of up to 30 years.

As well as for land, livestock and machinery, Mr. Humphries points out that loan approvals may also be for lime and fertilizer, permanent plantings, irrigation systems, building repairs, consolidation of debts, etc.

Mr. J. R. Humphries, Corporation representative for Hastings Co. stresses the importance of arranging an interview well in advance of proposed loan. The winter months prior to the appraisal season provide the most opportune time for preparation and for a planning discussion. His office is located on the second floor, Post Office Building, Campbellford, and he is available for interview by appointment on Thursdays.

Ten Pin Bowlers Defeat Deseronto

On the week-end two teams of men's ten pin bowlers visited Deseronto. Deseronto bowlers have come to the conclusion that they can't beat Stirling bowlers at all. The Public School league and Mixed Leagues defeated them here and in Deseronto, so they thought they would try our newly formed Ten Pin Bowling League, but they trounced them too.

A team consisting of Ashley Brooks, Gordon Barrie, Bill Blakeley, Donald McCrory and Ray Poste, took top honours. Ray Poste bowled both the high single of 205 and triple of 504. Bill Blakeley was a close runner-up with 191 and 499.

Deseronto teams placed second and fourth and Stirling's other team of Doug and Ralph Scea, Doug McCrory, Ralph Parks, Bill Reid and Bob Taylor, placed third.

Honour Couple on 40th Anniversary

On Sunday, Mr. and Mrs. Wilfred Johnston were honoured on the occasion of their 40th wedding anniversary. Approximately 15 relatives and friends were present to celebrate this happy occasion, at Rollins Steak House where the guest table was centred with a 2-tier anniversary cake.

Mr. and Mrs. Johnston were married on March 3, 1923 in the United Church parsonage at Stirling by the Rev. James Batstone and upon reminiscing it was noted that the couple journeyed to the church by team and sleigh and travelled by train from Stirling to Campbellford (a long distance in those days).

Mr. and Mrs. Johnston have three children, two daughters, Mrs. Bruce Kemp (Doreen) and Mrs. Ernie Tuck (Joan) and one son, Gerry, all of Belleville.

There are eight grandchildren. An honoured guest at this special event was 82-year-old Mrs. Fred King, son, mother of the "bride" and others present were Mr. and Mrs. Blake Johnston, Mr. and Mrs. Wilbur Shorey, of Frankford; Mr. Leslie Kingston and Miss Aleta Kingston.

The honoured couple were the recipients of a purse of money from the immediate family and presented with a beautiful bouquet of chrysanthemums from Mr. and Mrs. Cockell.

"Some complaints come in from time to time of people gyped by door to door salesmen. It is difficult to be sympathetic. For the most part people are caught because they think they are getting something for nothing or some great bargain. The safest place to get bargains, and genuine shopping values is at your local stores and business places".

THE BIBLE TODAY

Mr. Thomas Kanza, recently appointed Congolese Ambassador to the United Kingdom, carried with him a French and a Kikongo Bible. After one year at the United Nations as a delegate from Congo, he has now taken his new position in England.

The Director of Les Sociétés Bibliques in Congo, the Rev. A. W. Marthinson, writes enthusiastically concerning the reception which the Kikongo Bible has had in all the provinces of Congo. "The Bible Societies have a very great part to play in deciding the future of Congo," he states.

The demand for Scriptures has in-

creased considerably over the last several months. Hundreds of refugees from Angola are requesting and receiving copies of the Word of God.

During 1962 more than 80,000 Bibles, 121,700 New Testaments and nearly 431,000 single Books of the Bible were circulated in Congo. This represents the largest circulation ever achieved in this country.

"Congo is more open to the Word of God than ever before," writes Mr. Marthinson. It is not only Ambassador Thomas Kanza who carries the Bible with him!

Festival Time is Coming

Twelve years ago much speculation was stirring as organization plans developed for the first S.F.S.P. — Stirling Festival of Sacred Praise. The Rev. A. E. Baker directed the ways and means; Mrs. A. E. Baker spread enthusiasm far and wide; a small group of interested folk, eager to promote beneficial competition in the area joined forces and amid apprehension, inexperience and hope a festival was born.

According to the records some stars

were born also. From a one day event in 1951 the festival has grown to fill three days, this year May 13, 14 and 15. Closing date for entries is March 15. More to follow next week.

If you have advice — share it;
If you have ability — use it;
If you have time — offer it;
If you have money — give it.
Send all contributions to the Stirling Festival of Sacred Praise through Helen Armstrong or Audrey Elliott.

Platford - Fraser Wedding Solemnized

The United Church Manse in Stirling was the scene of the marriage on Saturday, February 23rd, 1963, at 2 p.m. of Miss Beverley Jo-Anne Fraser, daughter of Mr. and Mrs. Gerald Fraser, Glen Ross, to George Herbert Platford, son of Mr. and Mrs. George Platford, Picton. Rev. P. J. Hommersen, Stirling-Carmel, officiated at the ceremony.

The bride was gownned in a short length pale blue shantung two-piece dress with a blue hat and white accessories. She carried a bridal bouquet of red roses. She was attended by her sister-in-law, Mrs. William Fraser, Trenton, who wore a short length pale green organza over satin dress with white accessories and a corsage of pink mums.

Mr. Wm. Fraser, brother of the bride, acted as groomsmen. The parents of the bridal couple witnessed the ceremony.

A reception was held at the Pine's Motel, Trenton, for twenty-one guests. The bride's mother chose a brown three-piece knitted suit with green accessories to receive the guests. The groom's mother wore a mauve dress with black accessories.

Mr. and Mrs. Platford travelled to Kingston and other eastern points for a few days. They are residing in their home at Glen Ross.

Prior to her marriage the bride was tendered a miscellaneous shower at the home of Miss Marlene Bruce and her mother, Mrs. Carman Bruce, of Stirling, when a number of girl friends were entertained. Mrs. John Grills and daughter Sharon were hostesses at their home at Carmel when miscellaneous gifts were received from about forty of the neighbourhood ladies who were guests.

D. E. Loney, B.Sc., Industrial Arts Inspector, Present — Purchase Record Player

Three members of the staff of Stirling-Rawdon District High School will be leaving for other fields of endeavour at the end of the present school year. Messrs. B. J. Hemmelfich, E. C. Hay-Elis and R. Marbury, have resigned and their resignations were tabled at the Area Board meeting on Monday night.

Mr. Hemmelfich is going to the Waterloo-Oxford School, near Kitchener, his home city; Mr. Hay-Elis, to Elmville (as announced last week) and Mr. Marbury, to Belleville. H. Morrow presided and was supported by D. W. Rodgers, Jas. Johnston, A. R. Mallory and Dr. R. B. Murray.

D. E. Loney, B.Sc., Industrial Arts Inspector, was present and a lengthy question and answer period ensued on all aspects of a limited technical course for students in Grades nine and ten.

It was pointed out that the present shop, situated as it is beneath the gymnasium with its accompanying noise, was not suitable for technical instruction and new quarters and equipment would be required if the limited technical course were adopted.

This also would be dependent upon the local Board setting up a liaison with another school for continuing the course in the higher grades. It was the consensus of the Board members that it would be cheaper to establish this course in the local school rather than pay transportation costs and cost of education in another school. However no definite action will be taken until the matter is further investigated.

The purchase of a record player for instructional purposes in the school was authorized by the Board.

A communication from Johnston Controls regarding a service contract was tabled and ordered filed.

J. Irish, caretaker, submitted his monthly report listing several repairs made and requesting the purchase of lawn fertilizer and new lawn mower. His report was accepted.

Principal J. L. Good reported several of the Inspectors from the Ontario Department of Education had visited the school and that the examinations would begin Thursday, March 21st. He also reported on efforts being made to fill the vacancies on the staff.

Mailing Lists Are Corrected

The mailing lists of the News-Argus have been corrected up to date and subscribers are requested to check the label on their paper for the expiry date. Should there be an error in the date please contact this office AT ONCE.

A few of our subscribers are over a year in arrears and we would appreciate it if these were brought up to date. Publishing a weekly newspaper in these days of high overhead at a cost to the subscriber of six cents a week is a problem. Only the co-operation of subscribers in payment of their subscription on time makes it possible. We are grateful to those who pay up promptly and trust that those in arrears will make an early settlement.

The third game in the series has been scheduled for the Marmora Arena this Friday night at 8.30. A win for Stirling will place them in the Ontario finals.

Saturday's game was a tight one until the dying minutes. It was a scoreless tie after one period while Stirling pulled into a slim 2-1 lead by the end of the second frame.

Grant Hagerman paced the Stirling scorers with a three-goal effort while Bob Donohoe and Jack Donnan had single markers. Goalie Lynn Rowe came up with another strong game and defenceman Pete Bosiak also turned in a top performance.

Thos. Wildey Night Observed By Local Oddfellows and Friends

H. Jones, D.D.G.M., Gives Address — Potluck Supper Followed by Programme

The 144th commemoration of the founding of Oddfellows in the North American Continent was fittingly observed by members of Stirling, No. 239, I.O.O.F., on Thursday night last in the Oddfellow Hall on Charlotte St.

Following a potluck supper which was greatly enjoyed by about one hundred, Noble Grand Basil St. Pierre acted as master of ceremonies for a programme of musical selections, a monologue and addresses.

Deputy Grand Master of Madoc District No. 45, delivered an address on Thos. Wildey, founder of the Order, while Miss Marita Snejfella, of Belleville, gave a talk on the United Nations. Miss Snejfella is a Grade 12 student at Quinte Secondary School, Belleville, and was sponsored as a delegate to the United Nations by District No. 47 Oddfellows and Rebekahs. She was introduced by Geo. Carlisle, P.D.D.G.M.

Mrs. P. Merrill gave a monologue and John Haggerty favoured with several selections on an electric organ. John DeVries rendered several accordion selections and also contributed some organ numbers.

25-Year Jewel Presented

A feature of the evening was the presentation of a twenty-five year jewel to Clifford Haggle, of Campbellford, a member of Stirling Lodge. The presentation was made by Earl Fox, Deputy Grand Master of Ontario.

The remainder of the evening was spent in dancing to music provided by Mr. and Mrs. Johnston, of Madoc, and Maurice Bell and Stuart McArthur of this village.

A dainty lunch was served by the ladies at intermission.

Consumers Trade Crusade Report At River Valley W.I.

On Thursday, March 7th, Mrs. Vernon Harry was hostess for the regular meeting of River Valley Women's Institute.

Mrs. Kenneth Myers opened the meeting and Mrs. George Heasman read thank you cards, a receipt for the adopted child and a letter from the new provincial president, Mrs. Leonard Trivers, of Thessalon, Ont. The new president urged that programmes should be well planned so there would be food for thought at every meeting. Mrs. Roy Irvin was appointed to represent River Valley at the Hastings County Historical Society for another year. Mrs. Jack Bush and Mrs. Ernest Carr were appointed as a nominating committee.

The treasurer was authorized to forward the monies for the Foundation Fund, Adelaide Hoodless Fund, also the last half of the International Scholarship Fund and to pay the expenses of the 4-H Club leaders and all the bills for the year. Mrs. Ernest Carr handed in \$59.00, proceeds of the four card parties in February.

Mrs. Vernon Harry reported the 4-H Club project closed with four girls taking part in Achievement Day. The

leaders were thanked for their efforts. Regrets were expressed that Mrs. E. C. Hay-Ellis will be moving away in the summer.

Special Excerpts

Special excerpts were given as follows: The growing of grain corn, by Mrs. Jack Bush; polishing shoes, by Mrs. Roy Tucker; the work of the Red Cross, by Mrs. E. C. Hay-Ellis, and Friendship Link, by Mrs. Percy MacMullen.

In her public relations report Mrs. MacMullen outlined a recent meeting in Belleville conducted by Mrs. Grant McLaren, chairman of Sub-Division 5. The Hastings West District Annual will be held Thursday, June 6th at March Hill United Church with Pine Grove Branch as hostess. The provincial board stressed that a centennial programme be held this year. On June 18, 19 and 20th, Mrs. Van Beekhoff, A.C.W.V. President will be in attendance and every branch member is invited to travel to Guelph that day and provide her own box lunch at noon.

Mrs. Roy Tucker gave an A.C.W.V. message on the handicraft exhibition at Melbourne Town Hall during the triennial conference in Australia. Special mention was made of Canada's bitten birch designs on folded bark made by the woodland Indians. Mrs. Claude Tucker reported on her

handicraft work and the articles handed in were displayed. Mrs. Chas. Wilson presented current events giving much up-to-date news.

Consumer Trade Crusade

Mrs. Percy MacMullen gave the highlights of the recent Ontario Consumer Trade Crusade dinner at the Royal York Hotel in Toronto. 2,220 women and three men enjoyed the delicious banquet, where the food was all produced and processed in Canada. The Hon. John P. Roberts, Q.C., Prime Minister of Ontario in his message paid tribute to the women of Ontario and asked their support in this new venture. He stressed spending a little more money in Canada for pleasure and for Canadian made goods. The Hon. R. W. Macaulay, Q.C., Minister of Economics and Development and also of Energy Resources said "The trade crusade programme will allow the women of Ontario to contribute directly to the improvement of design, quality and commercial value of present and future Canadian products."

Mrs. Roy Irvin presided over the programme and current events were given, one of which was that a new Institute had been organized at Picton.

Mrs. Clarence Chard gave the biography of a famous Canadian woman, Mrs. Adelaide Hunter Hoodless.

Portions of the Tweedsmuir History Book were displayed and Mrs. Roy Bush read a humorous poem entitled, "Little Granddaughter." Mrs. Bush then described in detail the contents of each section of the book.

Mrs. H. Corby convened the lunch and the conveners served fruit bread, cheese, celery and coffee.

The annual meeting will be held on April 4th at the home of Mrs. Ernest Carr and again it will be time to pay dues and join again.

Wood - Cox Wedding Solemnized

A lovely wedding was solemnized Saturday, March 9th, 1963, at 2 p.m. in the First Pentecostal Church, Belleville, when Linda Darlene, daughter of Mr. and Mrs. William Cox, Belleville, was united in marriage to David George Wood, son of Mr. and Mrs. George Wood, North Street, Stirling. The Rev. B. H. Cross, pastor of the Church, officiated at the double-rite ceremony before a background of potted ferns and baskets of white and blue gladioli.

Miss Linda Pritchard, the church pianist, provided the wedding music before the ceremony and during the signing of the register.

Given in marriage by her father,

the bride was radiant in a white street-length dress with white crown hat and veil. She carried a bouquet of red roses.

Miss Pauline Wilson, the bride's attendant, wore a white taffeta gown with blue flowers over which was a net of blue nylon.

Miss Beverly Varty, niece of the bride, was flower girl dressed in beige nylon, white flowered pillbox hat, white gloves and carried a basket of white and yellow 'mums'.

The best man was Mr. William Cox Jr., brother of the bride. Mr. Tom Cross was the usher.

The reception was held at the Orange Hall, Belleville, where the bride's mother received the guests dressed in a blue dress. She wore a corsage of white carnations. She was assisted by the groom's mother, who wore a brown flowered dress and brown accessories with corsage of white carnations.

The bride's table was beautifully decorated with a three-tier wedding cake, topped with a miniature bride and groom. Rev. Cross spoke wishing the bride and groom a successful marriage. The fathers of the bride and groom also spoke briefly as well as several guests.

For going away the bride chose a brown dress with brown accessories.

Guests were present from Stirling, Toronto, Oshawa, Frankford and Belleville. The couple will reside in Belleville.

Wellman's

Mr. and Mrs. Larry Stacey of Wexford, visited Sunday with her Grandparents, Mr. and Mrs. Will Hinds. Mrs. Byron Seeley, spent Thursday with Mr. and Mrs. Charley Bailey of Carmel.

Mr. and Mrs. Gerald Clancy and family, were supper guests on Saturday with Mr. and Mrs. Clifford Clancy.

Mrs. Walter Jones of Campbellford, spent Sunday with her parents, Mr. and Mrs. Will Hinds.

Mr. and Mrs. Glenn Graham and Vicky of Belleville, Mrs. Victor Graham, Eleanor and Freda, visited on Sunday with Mr. and Mrs. Hilton Graham of Harwood.

We extend sympathy to Mrs. John Rainie on the passing of her brother-in-law, Mr. Oscar Archer at Elmville. Mrs. Gerald Clancy is a patient in the Campbellford Memorial Hospital.

The safest spot in a car is the middle of the floor, in the rear compartment. A back seat rider should dive for it, if a crash is imminent.

St. Andrew's W.M.S.

The regular monthly meeting of St. Andrew's W.M.S. was held on March 12th in the church parlours with St. Paul's, St. John's and West Huntingdon as guests. The meeting opened with a short prayer by the president and a hymn was sung.

The Scripture reading was taken by Mrs. Dodds. The meditation on prayer was given by Mrs. Bert Cook, followed by prayer by Mrs. Eggleton.

Mrs. H. West favoured with a lovely solo, "Whispering Prayer." Mrs. Fargy gave a chapter from the study book. Mr. Eugene Burrell showed slides of Hong Kong which were very interesting. A hymn was sung and benediction pronounced.

A dainty lunch was served and a vote of thanks was given by Mrs. Harding.

General Meeting St. Paul's U.C.W.

The March meeting of St. Paul's United Church Women was held on the evening of March 5th in the Sunday School rooms.

Mrs. D. Duffin, President, welcomed the members and called on Mrs. D. Pollock of Unit Three to conduct the worship service. The hymn, "All Creatures of Our God and King," was sung, followed by prayer by Mrs. Elwood Bateman. The 23rd Psalm was repeated in unison.

Mrs. H. Vandervoort read from the New English Bible, Luke 11: 1-4.

"Why do we have Lent" was the subject chosen by Mrs. Vandervoort. She asked each member, rather than forfeit material things during Lent, to look inward to see how we can live better lives, as Jesus taught, and to spend time each day in prayer. Mrs. Vandervoort closed by asking the members to repeat together the Lord's Prayer.

The offering was received and dedicated. The hymn "Holy Spirit, Hear Us," closed this inspiring service.

Mrs. J. L. Good, delegate to the Annual meeting of U.C.W. of Belle-

ville Prebyterial held recently in Picton, brought a concise report of the interesting sessions.

A paper, prepared by Mrs. C. Lansing on stewardship, was given by Mrs. H. Donnan.

The programme was in charge of Unit Two. Mrs. F. Lyons introduced Miss V. Williamson who showed pictures of a world tour she had taken. These proved both informative and interesting.

At the close of the evening lunch and coffee was served by Unit One. Mrs. B. Faulkner thanked all those responsible for preparing this meeting.

March Meeting Spring Brook U.C.W.

Spring Brook United Church Women met in the Church basement for a pot luck dinner. Mrs. R. Wellman and Mrs. M. Bateman acted as hostesses.

Following the dinner the ladies gathered for their afternoon meeting. The President opened the meeting and welcomed all members and visitors. The U.C.W. theme hymn was sung, followed by the Purpose.

Mrs. G. Broadworth was in charge of the worship theme, "Praise ye the Lord for His judgement and mercy." A hymn was sung with Mrs. H. Haslett as pianist. Mrs. M. Mason read for the Scripture lesson Ephesians 2: 5-8. Psalm 96 was read in unison. Mrs. Broadworth gave the meditation, "The Man Upstairs." Mrs. H. Pillen gave the missionary prayer and Mrs. G. Broadworth closed the worship with prayer.

The roll call "An Old Testament Person" was answered by twenty-six members, three visitors and two children.

Mrs. G. McFaul took charge of the Bible study found in the "Word and the Way," chapter 14, "The Holy Spirit and the Christian Life."

The minutes were read by the Secretary, Mrs. L. Bailey. Correspondence was read and dealt with. Thank you notes were read from Mrs. J. Spry, Mrs. G. Williams and Mrs. T. Webb. The fruit and flower committee gave their report, as did the volunteer sick and visiting committee. Mrs. A. Reid and Mrs. C. Burkitt. In all 40 calls were reported.

Mrs. G. Broadworth, Treasurer, gave her report, followed by the Social Function Committee, by Mrs. M. Mason. The U.C.W. will cater to the Spring Brook Bowling Banquet sometime in April.

The programme consisted of a poem read by Mrs. G. Bailey and a

quiz, "Kind Deeds," by Mrs. R. McKeown. Mrs. Lorne Bailey made a scrap book of the first year of the U.C.W. of all occasions during the year. It will be at the meetings for anyone to see. The President closed the meeting with prayer.

The Village of Bloomfield is the centre of many tourist attractions, including the famous Sandbanks on the Bay of Quinte.

In Memoriam

COOMBES — In loving memory of a dear husband and father, Reginald Ernest Coombes, who passed away March 24th, 1962.

On in the still night
Ere Slumber's chain has bound us,
Fond Memory brings the light
Of other days around us.

— Ever remembered by wife Alice and the family. 1-1p

FRANCIS — In loving memory of a dear brother, Delbert Francis, who passed away March 19th, 1961.

No morning dawns, no night returns,
But that we think of you;
Those left behind are very good,
But none replaces you.

Many a silent tear is shed
When I am all alone,
For the one we loved so very much
The one we called our own.

— Sadly missed by Dorothy, Jack and Wayne McCaughen. 1-1

TO OUR FARMERS

As a Member of the Agriculture Committee I can recognize and understand your problems. Problems which have not developed overnight. Chronic problems which have not just emerged in the last five years but which have plagued and bothered Ontario farmers for forty years.

We have not solved all your agricultural problems. But we have recognized that they exist — we have not turned our eyes away. We have started to plan for the future of farming in Ontario.

Much has to be done. Much is being done. What are our plans? What are we going to do?

For the farmer who wants to expand his farm, to make it more efficient and economic, to the farmer whose sons want to stay and continue to work with him or on their own, we have established a Farm Credit Corporation, and the means to extend millions of dollars of credit is now available.

And to the dairy farmer, the backbone of the rural economy in Ontario, I say there is hope for a brighter future. Measures will continue to be taken under the Agricultural Stabilization Act to bring about that stability of prices and that stability of income that you have asked for over the years.

Export markets for your cheese are being expanded. Price Supports at a fair and reasonable level for your butter fat will be maintained. We will continue to stabilize the price of skim milk powder by purchasing supplies from time to time for use by the World Food Bank, a Canadian proposal, for use by the hungry people of the world.

Many of you, and many of your sons, work part time in the lumber industry, in the pulp and paper industry. We are increasing our export markets in this regard. Devaluation of the Canadian dollar has given a major boost to this industry. These things will continue in the future.

Many of your farms are too small. The land is marginal. We must improve your land. We must increase your income from that land. We must create new opportunities. People easily understand when we talk of slum clearance, or urban renewal and redevelopment. This problem is not just an urban problem. It is a rural problem in some parts of Canada, through no fault of the people. We need better rural housing, and we shall have better rural housing under the benefits of CMHC.

We will take whole regions step by step, which are underdeveloped, which need improvement, where the land can be improved, where the water can be conserved, and we will redevelop them through planning and co-operation so that the income, the living and the opportunities for the future are maintained.

The great dairy industry of Ontario is one of the largest markets for the western feed grain in the world. The power of the government through the Canadian Wheat Board ends at the Lakehead. The prices at the Lakehead are fair and reasonable but the farmers in Ontario find that when they go to buy their supplies locally, the prices jump up to a point where they are too expensive.

What has been the reason for some of these unwarranted and unjustified price increases? A small minority of brokers have been able to take advantage of the situation in times of short supply and have artificially pushed the price up to a point where their profits are excessive. The farmers of Ontario have suffered because of this. They have asked us to do something about this situation.

We acted, knowing of the great expansion that will take place in the livestock industry in Eastern Canada which will result in a great increase in feed grain requirements in the next twelve years. In the Speech from the Throne we said we would bring forward our proposals, and we placed before Parliament our intention to introduce a Bill in this regard — an Eastern Feed Grain and Storage Bill.

The Opposition saw to it that this legislation would not come forward. Their desire for power was greater than their concern for the welfare of the people. They showed they cared only for power, they cared only for themselves. They cared not for Parliament. They cared not for the people, but for power over the people.

This act will provide and ensure continuous supplies of western feed grain at all times.

It will ensure that there is adequate government storage for feed grain in Ontario.

Subsidies for the movement of western feed grain to Eastern Canada will be continued and increased, and by incorporating this year to year policy in this new legislation, the feed freight assistance program will then become statutory.

To encourage farmers to purchase their feed in large quantities and thereby cut their costs, this legislation will provide grants to farmers to encourage and assist in building more adequate grain storage facilities right on their farm.

The Eastern Feed Grain and Storage Bill, when it becomes law, will be a great step forward. Under this legislation, an Eastern Feed Grain Board, similar in many ways to the Canadian Wheat Board which serves the western farmer, will be established to administer these programmes. This Board will be composed of people who know the problems of eastern agriculture. There will be no no departmental officials on this Board. It will be your Board. And if any eastern province so wishes, this Board, at the province's request can become the sole purchaser of western feed grains coming into that province.

No longer will the Ontario farmer be subject to the whims of price speculation, to the ups and downs of supply and to inadequate storage facilities and unreasonable costs for their feed grain.

These are just some of the things we would have done, that you have asked for, if Parliament had been allowed to proceed with the business of the people.

How flameless electric heating makes all other heating systems out of date!

- It's the world's safest heating system — does not use flammable fuel.
- It's cleaner than any other heating system — cannot create dust, smoke, soot or dirt of any kind.
- You get custom-comfort in every room — electric heating offers you a separate thermostat in each room.
- Easy to install — no furnace or fuel tank.
- No annual maintenance costs — nothing to clean, no filters to replace, electric heating is truly a carefree system.

Reduced operating costs — in many municipalities the rate for electric heating has been reduced as much as 30% during the last 2 years.

Hastings County Beef Producers To Organize

Beef production in Ontario is becoming more important due to the fact that much higher quantities of beef are being consumed by the people of Ontario and many of the Western beef cattle are being sold to the Western States for finishing rather than being shipped East. The future for beef production in Ontario thus looks quite bright, and with this in mind, the Department of Agriculture is helping the beef producers of the Province to organize themselves so that the quality of beef produced in the Province may continue to improve.

It is with these thoughts in mind that the Hastings County beef producers are holding a meeting in the new Madoc Township Hall at Eldorado on Thursday, March 28th, to discuss the organizing of a Hastings County Beef Producers' Improvement

Association, with Mr. E. A. Starr of the Livestock Branch of the Ontario Department of Agriculture present to discuss the matter fully with those interested.

County Grain Corn Co-Operative To Be Formed

Hastings County Vegetable Growers' Association discarded the idea of building and operating a Co-Operative Canning Factory, and endorsed the principle of forming a Co-Operative to build and operate a plant to dry, store, and sell grain corn.

At Cannifton on Friday night, the Vegetable Growers' Committee of Messrs. Sils, Kelly, Knight, Sheppard and Meyers, set up to investigate the desirability of the growers getting their own canning factory, reported that financing and operation of a suitable plant was not feasible at the present time, but that investigations had shown that a co-operative plant for grain corn looked very interesting and all the committee felt that this meeting should discuss it.

Messrs. R. Sils and T. Kelly had investigated the Chatham Growers' Co-Operative plant and reported a

successful operation. Profits had increased and storage capacity from the original four storage silos to fourteen and had added other facilities. The trend was to increased mechanization of harvesting equipment. This meant that more silos for shelled corn and considerable increase of the more expensive storage silos for this type of storage, but that they still required 50 per cent capacity for corn on the cob.

Further reports indicated that at least 50 per cent of the original cost should be subscribed and that \$50,000 might be adequate for 1500 acres of corn for a start. This would mean that each grower would have to put up \$20.00 for each acre grown. A Co-Operative should take all grain offered by growers but this would be limited to the physical capacity provided by the money subscribed.

After considerable discussion, it was decided to adopt the report and try to go ahead with the forming of a Co-Operative. The investigating committee then resigned, as their work was completed, and a new committee to sponsor the project was suggested with other than grain growers to be added. Everyone felt that there should be concrete evidence of sincerity from those present before asking a committee to assume this very large task, and so forms were

circulated and 21 of the 26 growers present signed up for 550 acres at \$20.00 per acre. It was further felt that it was unfair to expect a few growers to canvas the area from door to door soliciting signatures, and so it was moved that publicity be given in the press and on the radio notifying all growers that if they wish to co-operatively store, dry and sell their grain corn for 1963 they must contact one of the following committee by Monday, March 25th, and sign in the acreage desired. If sufficient acreage is not subscribed the project will have to be abandoned for this year.

The sponsoring committee elected is: R. G. Baker, Farley Vermilyea, Laurison Grills, Griffin Ketcheson, George Read, Lloyd T. Sheppard, Horace Knight, Thomas Kelly, Roy Sils and Sidney MacDonald, Stirling.

An application form is in this paper, cut it out, fill it in, and call on any of the above for further information.

Rylstone

Alfred Spencer—Word was received here on Thursday of the death of Alfred Spencer, youngest son of the late John Spencer and Sarah Jane Dunk, in Civic Hospital, Peterborough. He attained his 87th birthday

on March 2nd. Mr. Spencer was born in Seymour but came to Rawdon Township to the farm now owned by his great nephew, John D. Spencer, with his parents, brothers and sister, at an early age. As a young man, he was married to Emma Anderson, who predeceased him about 1912, after they had moved to Havelock, from their farm on the 9th Line. Born to this union were three children, (Myrtle) Mrs. Norman Rosebush, Havelock; Clarence, deceased, about 14 years ago and (Emma) Mrs. J. Hamre, of Bella Coole, B.C. He later married Mrs. Ella (Hubble) Saunders, who bore him one daughter (Helena) Mrs. Helen Tucker, of Peterborough, who survives, along with 6 grand-children of Westport and his family. Mr. Spencer was the last of his own family; one sister, Mrs. George Rutherford (Adeline) and four brothers, Frank, Ernest, Edgar and Herbert, all having predeceased him. He owned a saw mill in partnership with his brother Ernest, north of Havelock, for many years and worked for some time for the C.P.R. at Havelock, later taking up saw mill work again, until his retirement. For almost 2 years he has lived in Peterborough with his daughter, Mrs. Tucker. He was well and favourably known wherever he lived and worked, being possessed of a sunny nature and quiet,

and an unsurpassable integrity. Those attending the obsequies from here were nephews and nieces, Mr. and Mrs. Wilfred Spencer, Jack, Patsy and Sherry; Mrs. Ellis Jones, Mrs. Bob Spencer and Eldon Anderson.

Funeral services were held at Curtis Funeral Home in Havelock, Saturday, March 9, conducted by Mrs. Tucker's pastor from Peterborough. The remains were placed in the vault at Havelock's Maple Grove cemetery. Interment will be at Rylstone cemetery in the spring.

Friday Night Mixed Bowling

The ladies' high single, Rosa Spry, 250; high triple, Bessie Hewton, 611. Men's high single and triple, Maurice Faulkner, 283 and 657. The high average in maintained by Cliff Short with 224 and Rosa Spry 218.

Other high games bowled this week were: Verna Woodbeck 214 and 223, Earla Crossman 213, Ivy Poste 207, Betty Faulkner 208, Bessie Hewton 209 and 241, Ray Rose 209, John Heron 261, Ray Poste 251, Ralph Clements 265, Cliff Short 251, Maurice Faulkner 223, Fred Mallory 203, John Eaton 209.

Public School Bowling

On Saturday, March 16th Bob West's "Chevies" and Greg Dufee's "Caddys" got one game each for two points, but the "Chevies" got the extra point for total pinfall by just two pins. The flu bug hit Beth Fraser's "Buicks" this week, so Allan Duffin's "Monarchs" got all 5 points. They really deserved it though as Allan had the high single of 268 and double of 394 and Jimmy Rawlings had a single of 214 and double of 327.

High School Basketball

(By John Svoboda)

Thursday night, March 14th, was the scene of two thrilling games at the Madoc gym. The first was a victory for our opponents, 37 to 25, and the last junior game of the season. Ken Smith was the high scorer for the locals with 12 points. The other players were Harry Vreugdenhill, Bob Vandervoort, Don Stewart, Ed Hay-Elis, Jim McMullen, Bill West, Bob Bell. Coach Mr. B. Hemmerich deserves congratulations for their efforts this year.

Also on Thursday evening the seniors lost to a good Madoc team by a score of 52 to 43. This means that there will now be a play-off for the Centre Hastings Trophy. Our boys led all the way in this game until the final three minutes. Al Fletcher and Andy Faulkner shared the spotlight with 18 points each, while Bob Vandervoort added 5.

Because of the exams, the play-off games will be postponed for two weeks.

Mrs. MacMullen Makes Official Visits

Mrs. Percy MacMullen, President of Hastings West Women's Institute, paid her second official visit to Bay of Quinte W.I. on Wednesday evening, March 13th, at the home of Mrs. Donald Sandcock. There was an attendance of sixteen ladies.

On Thursday evening, March 14th, Mrs. MacMullen paid her second official visit to Wallbridge Branch W.I. Mrs. J. F. Cooper at Sidney Circuit Manse was hostess and there was an attendance of twenty ladies.

Mr. MacMullen accompanied her on both occasions.

Thursday Night Mixed Bowling

Betty Williams had the Ladies high single of 222, high triple of 566 and high average of 179.

Doug McCrory had the Men's high single of 287 and high triple of 669, while Tom Kovak had the high average of 222.

Other 200 games were Marion Kovak with 212, Bob Montgomery with 218, Ron Williams 204, Ivan Eggleton 206, Orland Townes 239, Doug Scea 215, and Jerry Bush with 238.

Entered Into Rest MRS. CHARLES BENSON

Mrs. Ida Ruth Benson passed away suddenly at the Prindle Nursing Home, 136 Albert St., Belleville, on Saturday, March 16th, 1963. She was in her 80th year.

Born in Rawdon Township, she was the daughter of the late Mr. and Mrs. John Webb. Her husband, Charles Benson, predeceased her in 1958.

She had resided at the Prindle Nursing Home for the past three years and was a former resident of Spring Brook community.

Surviving are two daughters and one son, Mrs. Bert (Irene) Willis, of R.R. 1, Stirling; Mrs. O. (Hazel) Crosby, of R.R. 1, Trenton, and John, of Toronto.

Also surviving are nine grandchildren, one great grandchild and one sister, Mrs. Minnie Wallace, R.R. 2, Stirling.

Picton Boy Wins Speaking Contest

John Newton, a 13-year-old grade seven student at St. Barbara's Public School, Picton, won top honours in the Zone 3 Belleville District Public Speaking Contest at Havelock on Saturday. John, son of Major and Mrs. Phil Newton, of Picton, chose "Development in Outer Space" as his topic. In addition to capturing the Northumberland Ratepayers Trophy, he was the recipient of the Hydro Cup and a two-volume encyclopedia dictionary. The presentations were made by George Kennedy, chairman of the Havelock Hydro-Electric Commission. John will now represent Zone 3 at the provincial finals in Toronto during Easter week.

Mary Jairath, of Madoc, won the second place prize, the W. A. Fraser Trophy, with her address entitled "My Dreams of the Future." Bonnie Zuehl, of Frankford, placed third speaking on "Canada in 1967" and won the H. N. Carr Trophy. Each of the contestants was presented with a miniature trophy by the Ratepayers

Local Campaign of the Canadian Cancer Society Opens Here Monday

Local Committee Has Set Objective of \$2,000 For the Stirling-Foxboro Area

The annual campaign of the Canadian Cancer Society's Stirling-Foxboro unit will open on April 1st. The unit's objective this year is \$2,000.00, and will contribute towards a provincial objective of \$1,800,000, and a total national aim of \$3,682,000.

"It is difficult to make the point, year after year, that the need is great, that there is an urgency in this appeal to raise the money to defeat cancer," J. V. Holt, local campaign chairman, said in announcing the campaign. "But such is the case. One need only visit a hospital and talk to patients with cancer, or to their loved ones, to realize that cancer is a terrible disease and that it's cost in terms of lives and unhappiness can scarcely be imagined.

"The Canadian Cancer Society is doing all it can to bring about the final defeat of this human scourge. It is fighting cancer by means of research, which will one day solve the riddle of cancer and show us how to prevent it or cure it. It is fighting cancer by means of education, impressing upon all of us the importance of regular health check-ups and early treatment once cancer is diagnosed. And the Society is fighting cancer by means of welfare services which give the patient aid and comfort.

"But to do all these things, the Canadian Cancer Society needs money. I sincerely hope that this community will once again do its part in this vital cause and see that our objective is attained. The cause is great and the need is great — let's all make our contribution great."

Mr. Holt pointed out that this year fully 86 per cent of all funds used by the National Cancer Institute of Canada for its research projects will be provided from the campaign of the Canadian Cancer Society, almost half of whose budget is earmarked for research purposes.

"The more we can make available for research," he said, "the more research projects can be undertaken — and everyone of them helps to fill a gap in the enormous cancer jigsaw puzzle."

The local Cancer Committee consists of J. V. Holt, Chairman; Dr. W. Hipwell, Rev. F. A. Crook; Eugene Burrell, Treasurer; Mrs. R. Burgess, Secretary.

Public School Bowling

On Saturday, March 23rd Allan Duffin's "Monarchs" took all 5 points from Bob West's "Chevies." Greg Dafeo's "Caddys" got 3 points to Beth Fraser's "Buicks" 2 points. Bill Bosiak had the high single of 240 and double of 401. Robert Cooke had a good single game of 231 and double of 367.

Festival Time is Coming

When one thinks of achievement, one naturally thinks of awards. The Stirling Festival of Sacred Praise has been very fortunate in sponsors for both individual and group classes.

Through Mr. W. T. Elliott and General Motors the gold trophy and replica has been an annual presentation and has circulated throughout the area.

Newspapers, recognizing the advantages such a festival would provide, were generous in offering silver cups for competition among the schools. The late Mr. W. H. Morton of the Ontario Intelligencer retained his interest even in his advanced years and Mr. H. R. Tompkins of the Stirling News-Argus never fails to assist the committee with their needs without thought of personal gain.

The T. Eaton Co., Robert Simpson Co. and Christie Brown Co., as well as various local organizations and individuals were among the original donors and their respective trophies are a source of pride to recipients wherever they may be.

Attend Manitoba Grand Lodge

R. E. Fox, Deputy Grand Master I.O.O.F., represented the Ontario Grand Lodge at the annual sessions of the Grand Lodge of Manitoba on Wednesday and Thursday of last week. He was accompanied by Mrs. Fox, who attended the sessions of the Rebekah Assembly of Manitoba. They returned home on Monday.

Local Residents In Hospital

Several residents of the Village and district are patients in the Belleville General Hospital. Mrs. Frank Harding, Mill St., underwent surgery on Saturday and Mrs. John Heagle, of Harold, on Monday.

Mrs. Chas. Davidson, Front St. E., is also a patient.

Engagement

Mr. and Mrs. Malcolm A. McMullen, R.R. 3, Stirling, announce the engagement of their daughter, Muriel Pearl, to Mr. Gerald Edward Morgan, son of Mr. and Mrs. S. Morgan, Crookston, Ontario. Marriage to take place at St. Paul's United Church, Stirling, Saturday, April 27th at two p.m.

Bruce Hemmerick Had 410 Game In League Play

Well, the inevitable has finally happened! Last Monday evening Bruce Hemmerick of the Bolows team rolled a 410 game and Ray Poste, proprietor of the Stirling Bowl-O-Drome, was pleased to present him with the \$10.00 prize for an over 400 game. This is the first time this season that the prize was taken, and believe me, next to Bruce himself, Ray Poste was the most excited and happy fellow at the alleys. It was sportsmanship at its best.

In his prize-winning game Bruce bowled nine straight strikes, then in the tenth frame he rolled a spare and a strike. Just how close can you get to a perfect game? To round out the evening Bruce also bowled a 194 and a 213 game, to give him the weekly high triple of 817. Congratulations from all of us in the league.

Several other over-200 games were rolled that evening as follows: Ray Poste 207, 221 and 241, Dick Reid 231, Al Boersma 252, C. White 251, W. Blakeley 203, J. Doran 242, R. Mallory 200, R. Williams 258 and 270, Art MacConnell 221, Ken Cooke 210 and 245, Ray Rose 231, 273 and 251, Tom Kovack 237, George Noble 217, Allan Sine 208, Howy Parsonson 238 and 214, Doug Harris 237, Bob Crossman 212 and 211.

Bobcaygeon Winners In Overtime Game

Stirling Juveniles lost a heart-breaker to Bobcaygeon in overtime at Marmora on Friday night last. The game was the third in a best of five series and the locals had a 6-4 advantage with a little over three minutes to play. However the winners were not to be denied and took advantage of defensive lapses by the locals to tie the score. They scored the only goal in a ten-minute overtime period to win 7-6. The game was witnessed by well over eight hundred fans.

Stirling has a 2-1 lead in the series. The fourth game is scheduled for Bobcaygeon this coming Friday night at 8.30 o'clock.

Stirling led 2-1 at the end of the first period and 4-3 after two periods, but Bobcaygeon had tied the count at 6-6 by the end of regulation play.

Jack Donnan paced the losers with three goals while the others went to Andy Faulkner, Pete Bosiak and Bob Donohoe.

Cheery Greeting To A Stranger Leads To Friendship

A cheery greeting to a stranger in our Village some years ago led to a warm friendship between Harry L. Taylor, 2324 Beaconsfield Ave., Montreal, and Harper Rollins, well known local resident. Coincidentally both Mr. Taylor and Mr. Rollins will observe the 31st anniversary of their natal days tomorrow, Friday, March 29th.

Mr. Taylor is the father-in-law of the former Margaret Bateman, daughter of the late Mr. and Mrs. W. J. Bateman, of this district. It was while he was a guest at the Bateman home that he visited the Village and while enjoying a stroll in the business section was warmly greeted by Mr. Rollins.

The News-Argus joins with their many friends and relatives in extending congratulations and good wishes to both these gentlemen.

Stirling Agricultural Society To Sponsor Ham Bingo Monday Next

Make it a date — plan to attend the Ham Bingo, sponsored by the Stirling Agricultural Society, in the Stirling Theatre on Monday evening next, April 1st.

The urgent need of this organization, if it is to continue, is the wholehearted support of the citizens of the Village and surrounding community. Each year the directors work very hard to provide a Fair, at which rural and village folk intermingle, and view the exhibits from the area as well as the programme offered. Gate receipts are not sufficient to meet current expenses and capital expenditures required from time to time. It therefore becomes necessary for the directors to seek other means of support throughout the year to augment their finances.

Monday night they are offering you a chance to win a ham for Easter and with good door prizes, as well as lend a hand to the directors of this worthwhile community organization.

Friday Night Mixed Bowling

The ladies' high single and high triple went to Bessie Hewton, 261 and 725; high average, Rosa Spry, 220.

The men's high single went to Ralph Clements, 261; high triple and overall high average, Cliff Short, 551 and 223.

Other high games this evening were Thelma Short 211, Ivy Poste 222 and 220, Verna Woodbeck 232 and 241, Rosa Spry 213, Betty Faulkner 238, Bessie Hewton 223 and 241, John Eaton 214, Ray Poste 201, Ralph Clements 261, Cliff Short 205 and 210, Clive White 206.

Fan Support

Two bus loads of local hockey fans will accompany the Juvenile "C" hockey team to Bobcaygeon tomorrow night.

Schools Ransacked Equipment Stolen

Both the Stirling-Rawdon District High School and Stirling Public School were visited by vandals on Thursday night last.

At the former several locks were broken, desks and filing cabinets rifled, and a drink dispenser smashed. Two record players, which were at the school on trial, a transistor radio, a tape recorder and a sum of money were stolen. Entrance was gained by breaking a window in a rear door and reaching through to release the lock.

At the Public School teachers' desks and a filing cabinet were ransacked and a small sum of money stolen.

Chief of Police D. M. Ketcheson, assisted by the O.P.P., are investigating the thefts.

Engagement

Mr. and Mrs. Douglas Bailey wish to announce the engagement of their daughter, Patricia Carol, to Mr. William Charles Bailey, the son of Mr. and Mrs. Archie Bailey, Stirling, Ont. The wedding will take place on April the fifteenth in St. John's Anglican Church, Madoc, Ontario.

To Reside In Fort Erie

Mrs. B. Third, who has resided in the Village for the past thirty years, is leaving this week-end to reside with her niece in Fort Erie, Ont.

On Monday afternoon several of her neighbours gathered for a social time prior to her departure. During the afternoon the presentation of an appropriate gift was made by little Miss Judy Tucker on behalf of those present.

During her residence here Mrs. Third has attended St. Andrew's Presbyterian Church and taken an active part in the work of the ladies' organizations. Her many friends join in extending good wishes for happiness in her new home.

Rotary Minstrel Show Coming Up!

Members of Stirling Rotary Club are practising faithfully for the big Minstrel Show, "Dark Town Follies," to be presented in Stirling Theatre on Thursday and Friday, April 18th and 19th.

Several Rotary Annes, as well as other local artists will assist in the show and patrons will be treated to snappy choruses and instrumental numbers and are bound to enjoy the funny end men.

Plan now to support the Rotary Club — you may purchase your ticket from any Rotarian.

Institute Members At Directors' Meeting

Mrs. Percy MacMullen, President of Hastings West District Institutes was in charge of the Board of Directors meeting held Saturday afternoon, March 3rd in the Board Room of Leslie's Shoe Store, Belleville.

Mrs. George Heasman, District Director of River Valley Branch and Mrs. Blanche Reid, District Director of Stirling Branch, were also in attendance.

Mrs. Percy MacMullen, Public Relations Officer of the Trent Valley Convention Area of the Women's Institutes, attended a business meeting with two sessions on Thursday, March 21st in the Board Room of the Co-Operatives Insurance, Church St., Belleville. The Area Chairman, Mrs. John Reid, Trenton, was in charge.

On June 21st a reception will be held in Peterborough in honour of Mrs. Van Beekhoff, A.C.W.W. President who is visiting Canada in June. She will be at O.A.C. Guelph, on June 20th. Branch Secretaries will receive full particulars at a later date.

Mr. and Mrs. Walter Wright Observe Their 50th Wedding Anniversary

Members of Their Family To Fete Parents at Home of Jas. Wright on Saturday

Stirling and district relatives and friends join in extending good wishes and congratulations to Mr. and Mrs. Walter Wright, North St., on attaining their 50th wedding anniversary on Tuesday, March 26th.

Mrs. Wright is the former Coza Bateman, daughter of the late Mr. and Mrs. Caleb Bateman, of Rawdon Township, and Mr. Wright is a son of the late Mr. and Mrs. John Wright, of Huntingdon Township. They were married at the home of the bride on March 26th, 1913 by Rev. B. Byers. They have two children, Mrs. A. (Katherine) Coons, of Belleville, and James Wright, of town, and six grandchildren. Mr. Wright has three brothers still living, William, of Minto; Robert, of Belleville, and Morley, of Sacred Heart, Minn., while Mrs. Wright has three sisters, Miss Margaret Bateman and Mrs. F. Wilkinson, of Toronto, and Mrs. Chas. Vance, of town.

Following their marriage they lived in Stirling where Mr. Wright was employed as a baker by the late George Legrow, for two years, and then moved to Tweed. After a year there they resided in Deloro for three years prior to purchasing the bakery and grocery business of the late John Shaw, on Mill St., Stirling, forty-four years ago. They retired from business seventeen years ago.

Both are ardent members of St. John's Anglican Church and take a keen interest in its many activities. Mr. Wright is a former member of the Stirling Board of Education on which he served for several years, and maintains an interest in all matters pertaining to the welfare of the community.

A family gathering is planned for Saturday night at the home of their son, James Wright, in observance of the happy occasion.

Recalling his wedding day, Mr. Wright stated one of the worst snowstorms of the year occurred that day and telephone and hydro systems were disrupted for days.

This week Don McCrory's team were 5 to 2 point winners over Ralph Sca's team. This gives Don's team 41 points to Ralph's 36.

Ray Poste bowled the high single of 169 and triple of 471. Ralph Sca had a single of 165 and triple of 414.

Mrs. A. D. Runnalls Honoured On 100th Anniversary

On the evening of March 14th about 85 relatives of Mrs. A. D. Runnalls gathered at the Community Hall, Frankford, to honour her on her one hundredth birthday anniversary.

All enjoyed a sumptuous supper, after which pictures were taken and a programme presented.

It was requested that Mrs. Runnalls recite one of her favourite poems, "The Drowning at Bay Bay." This was written about the drowning in 1819 of eighteen young people crossing the Bay to attend the old Bay Church. Two of the victims were cousins of her father who was a United Empire Loyalist.

The honoured guest received many lovely gifts including flowers and plants; also over two hundred cards from friends and the family.

She was also thrilled to receive telegrams from Queen Elizabeth, Prime Minister Diefenbaker, Premier Roberts and a lovely framed plaque from W. E. Sandercock, M.P.P. for Hastings West as well as messages from Lee Grills, M.P. and Rod Webb, M.P.; also a bouquet of roses, a photo of herself and a lovely letter from the editor of the Belleville Ontario-Intelligencer.

Her son, N. H. Fleming, of Mount Vernon, N.Y., sent a message of regret that he would not be able to join her for this happy occasion and expressed his congratulations.

In the afternoon an "at home" was held at the home of her daughter, Mrs. Mabel Dafeo, Frankford. Many of her friends and neighbours came to offer best wishes from Spring Brook, Stirling, Belleville, Madoc, also from Sarnia and Toronto.

St. Paul's Unit Four U.C. Women

Unit Four of St. Paul's United Church Women met Tuesday afternoon in the Church Parlour which was tastefully decorated in keeping with the St. Patrick's Day season. The President used a suitable poem by Patience Strong as an introduction and followed with a prayer.

After welcoming a new member, the roll call, minutes of the last meeting and the treasurer's report were heard.

Several letters of thanks were read from members who are shut-in but had been remembered with treats following the Valentine meeting.

The President read a letter from Mrs. Logan re cancer dressings and on motion of Mrs. Hough and Mrs. Williams it was decided that we take on the making of cancer dressings and possibly puppet-making, as a project.

Mrs. Patterson reported that Mrs. R. Stapley had a surplus of Christmas cards and asked members who had cards to donate to hold them until autumn. She also demonstrated a knitting effort that members could work on using odds and ends of yarn.

The April meeting will be a dessert luncheon and plans are well on the way for same.

Several had celebrated their birth-

day and made suitable donations to the birthday box.

A moment of silence was observed in memory of a deceased member and an appropriate verse read.

Mrs. Carlisle took charge of the programme, calling on Mrs. David on chapter two of "The Word and the Way," dealing with God the creator, and the doctrine of creation. Mrs. Carlisle offered prayer.

The offering was gathered by Mrs. Hough and Mrs. Bush and dedicated by Mrs. Luery.

A short paper on "The Stewardship of Time," was given by Mrs. Lansing.

Mrs. J. L. Good gave a very informative and interesting resume of the chapter on Korea from "On Asia's Rim." Again we were made to see some of the suffering and hardship that Koreans have endured at the hands of their neighbouring nations. From 1950 to 1953 some nine million refugees fled from Northern Korea to Southern Korea. Never has there been anything to compare with the overcrowding that resulted. Although the war between North and South was an undeclared war, it was a bloody war. During this war 976 churches were damaged and 267 churches were completely demolished. Three hundred and sixty-three pastors were never heard of again and are presumed dead. Korea is divided by the 38th parallel. The northern part is industrial, and while the southern

is agricultural only about one acre in five is tillable land. It can readily be seen that North and South Korea belong together, each part helping the other. Crops and vegetation were seriously damaged by the spraying to deter insects. Ewha University is able to accept only one application out of ten they receive from students, because of lack of room.

Mrs. Patterson played a tape recording of a Korean children's choir which was enjoyed by all.

Thanks to all participants in the programme and to the lunch committee was expressed by Mrs. David. The meeting closed with prayer.

Rylstone

Davidson — Reid Nuptials

A very quiet wedding was solemnized in the Norwood United Church on Friday, March 15th when Rev. David Gault united in marriage Fernie Caroline, only daughter of Mr. and Mrs. Carl Reid and Robert James Davidson, son of Mr. and Mrs. Chas. Davidson, of Havelock.

The attendants were Miss Doris Yearwood, of Campbellford, and Garnet Davidson, of Havelock, brother of the groom.

The bride was attired in a white wool suit with white flowered hat and accessories and a navy duster. Her bridal bouquet was of red Sweetheart

roses and her bridesmaid's corsage was of yellow mums and golden iris.

For the reception and wedding supper in the Sky View Hotel, Havelock, the bride's mother was gowned in navy shantung with navy straw hat and accessories and wore a corsage of red carnations. Receiving with her was the groom's mother, also gowned in navy with pale blue accessories and wearing a pink and white carnation corsage.

After a short honeymoon the young couple will take up residence in Havelock. We extend best wishes from the Rylstone community.

St Mark's W.A.

Bonarlaw

The March meeting of St. Mark's W.A. was held in the Church basement on Thursday, March 14th at 2:00 p.m.

In the absence of the President, Mrs. W. J. Barlow, Mrs. Everett Heath presided. The meeting was opened by singing the hymn, "There is a Green Hill Far Away," followed by prayers by Mr. Stewart. The Members' Prayer was repeated by all.

The Bible reading from the 52nd chapter of Isaiah was read by Mrs. M. Tanner. Roll call was answered by 11 members giving a verse from the Bible containing "Fear Not."

Minutes of the last meeting were

read and approved. The Treasurer, Mrs. Neal, gave the report on the Oyster Supper. Correspondence was received.

Mrs. Heath mentioned that next year would be the 50th Anniversary of the W.A. and for the members to think about it and try and have some ideas on how to commemorate same.

The members were reminded to bring their thankoffering next month.

Some discussion was held re organ and the motion was put through that the W.A. take the lead in purchasing a new organ and any donations from friends or parishioners to be received towards this object and to have same installed by Easter.

Mr. Stewart closed the meeting with prayer.

The programme conveners were Mrs. W. J. Barlow and Mrs. Edwards.

Mrs. Art Neal gave a reading "We Help Each Other." Mrs. Woodbeck sang a solo "Did You Stop To Pray This Morning" and Mrs. Edwards prepared a paper on the Season of Lent.

In the absence of Mrs. Edwards, Mrs. Heath gave the paper which was very interesting and educational. A jumble word contest was conducted by Mrs. Heath.

The lunch committee, Mrs. Jones and Mrs. Tanner, served a delicious lunch in keeping with St. Patrick's Day.

WAKE UP VOTERS! THROW AWAY THE DARK GLASSES

Do not be Fooled by Tricky Words and Figures - Think for Yourself - And you will have the Facts
The Government has Failed - Never Worked for the People - Indecision - Lost Markets
Unemployment - Plants Closed and Moved Out of Riding

WHY?

Think Hard and You Will Remember - Liberals Only Proven Party You Can Give a
Working Majority - This is Necessary for Sound Government

VOTE SHANNON

Consider at this time some great national needs: Above all else, Canada's greatest needs as we go into election on April 8th is a return to effective government based on a WORKING MAJORITY to tackle the many problems facing the nation — UNEMPLOYMENT, SOCIAL SECURITY, NATIONAL DEFENCE, INDUSTRIAL DEVELOPMENT,

CONSIDER THE FARMER

The main problem of the farmer is that he is caught in a "tight squeeze" between the cost of producing their goods and what they get when they sell them. In effect, they have to buy on a Seller's market and Sell on a buyer's market. The Liberal answer, briefly, to this condition is to see to it that the Canadian farmer is given a fair share of the National Income.

CONSIDER THE UNEMPLOYED

Hundreds of Thousands of workers are out of work — many in dire need. Can anything be done to correct this need for jobs? The Liberal Policy, briefly, would be to carry out a programme of Investment in the future, Intelligent planning, sound management, decisive leadership, a new Department of Industry, 10,000 Scholarships of \$1000.00 per year for four years to develop the youth to meet the needs of today's industrial demands and a full time assessment of regional industrial needs, such as the Starve areas of Hastings-Frontenac.

The answer to Canadian needs is a Liberal Majority at the Polls — Party Victory is not the important issue — forget party loyalties at this time — Conservative Ontario elected 44 Liberals last June — Conservative Ontario is swinging all the way on April 8th — Lester B. Pearson will form the next Government!

Consider the opinion of the Globe and Mail, usually pro-tory. Extracts from Saturday, March 23rd, 1963 — "The Overriding Issue."

The most important issue in this election is Canada's need of a stable government with a sufficient majority to come to grips with the serious economic problems that face the country. Compared with this need, all other issues pale into insignificance. Indeed, unless we can elect a government that can restore stability and create the climate for economic expansion, few of the other issues raised in the campaign will be capable of solution.

The only party that holds a reasonable hope of achieving a majority is the Liberal Party.

This election would not have been necessary if the Diefenbaker Government had been doing what needed to be done. Nothing in the

Conservative campaign has indicated any reawakening of the Government's responsibility in this regard.

Those who voted Conservative in past elections should find it no philosophical problem to vote Liberal in this election.

WE HAVE BEEN WITHOUT GOVERNMENT. WE MUST HAVE GOVERNMENT. THIS IS THE OVERRIDING ISSUE WHICH FACES US ON APRIL 8th. WE CAN RESOLVE IT ONLY BY ELECTING THE LIBERAL PARTY WITH A WORKING MAJORITY.

This Riding is Starved for attention, for new industry, for area development. Unfortunately the very able Senator from Madoc was in opposition during most of his years in the House of Commons.

Unfortunately the Member from Norwood has been a member of a failure government.

A New Government is to be elected — Give Shannon his chance at this important time, to help this Riding Share in a New Canadian Advance.

A Letter To The Editor

Dear Sir:

Vote as you please on April 8th, but please vote intelligently.

With four parties seeking votes on election day the Web of confusion thickens.

Let's be realistic this time. We don't want to be told again the Saturday before this election that "things have never been better" then on the following Friday solemnly asked, as loyal Canadians, by the same voice, to tighten belts that a major crisis is upon us.

Mr. Douglas says he won't let Ford of Canada move. Mr. Thompson and Mr. Caouette would cure all our problems by "cranking out" free money. We doubt if either of these pasties will "crank out" enough votes to do more than make the issue on election day a little less decisive.

Can the claims of the Conservatives be taken seriously again? Again they come out with their "Saturday" claim "things have never been better."

For the past six years it has looked more like Friday to most Canadians, and Marmora is no exception.

Have you been to your Conservative headquarters in Marmora lately Mr. Webb? They are in a vacant store. So are the Liberal rooms. Mr. Douglas, if you are serious about your candidate, we have a vacant store for your party. Mr. Thompson and Mr. Caouette you can't agree on a location? Why not each rent former store space now used only for display purposes?

What's this Mr. Webb, you say these are more examples of Liberal gloom and doom? We have tried shutting our eyes and conjuring up Wonderful Visions. Unfortunately the old view does not change, so we are forced to call them facts.

Mr. Diefenbaker complains that everyone is against him but the "little man."

Mr. Diefenbaker, we think so too. Why are most Canadians, including half of your cabinet against you?

We believe it is because they are refusing to be "little men." When they discard your "Visions" and realize where your indecision and lack of planning are leading Canada.

We think most of the people in this area will be big enough to vote for our hard working Reeve, Bill Shannon. We think they will help to put a sound Liberal Government back in Ottawa under the leadership of Lester Pearson.

Entered Into Rest GEORGE WILMOT SHORTT

Resident of Sidney Township for the past 45 years, Mr. George Wilmot Shortt, R.R. 5, Belleville, died suddenly at his home on Monday morning, March 25th. He was in his 84th year.

Son of the late Mr. and Mrs. George Manley Shortt, he was born in Rawdon Township, but for the past 45 years had farmed in the Centenary area. He was a member of Centenary United Church and at one time had acted as Auditor for Sidney Township. He was a member of Eureka Lodge, A.F. & A.M., No. 283, Belleville.

Predeceased by his wife, the former Agnes May Blair, in 1949, he is survived by one son, Wilmot T. Shortt, at home, and a daughter, Mrs. Arnold R. (Laura) Valteau, of Belleville. A brother, Mark E. Shortt, lives in Rawdon.

There are four grandchildren and two great grandchildren.

The funeral took place at the chapel of the John R. Bush Funeral Home, Belleville, on Wednesday afternoon. Rev. H. F. Swan officiated.

Interment White's Cemetery.

ELVIN CHESTER POLLOCK

Funeral services were conducted Tuesday, March 26th for Elvin Chester Pollock, who died in the Campbellford Memorial Hospital on Saturday morning, after an illness of about one month. He was in his 73rd year.

Mr. Pollock was born in Seymour Township, son of the late Will Pollock and the former Elizabeth Pollock. He was educated at Wellman's school in Rawdon Township and married the former Flossie Jackman, who survives.

He was a farmer all his life and retired from active farming several

years ago and moved to Menie. The couple have two children, one daughter, Mrs. Percy (Doreen) Reid, of Campbellford, and a son, Ray Pollock, who now operates the family farm in Seymour.

Also surviving are two sisters, Mrs. Ray (Lelle) Moran, of Frankford, and Mrs. Frank (Alice) Jeffs, of Stirling, and one brother, Lindsay Pollock, of Stirling. Another sister, Mrs. Ernest (Flossie) Sables, died about twelve years ago. There are five grandchildren.

Mr. Pollock was a member of Burnbrae Presbyterian Church.

Services were conducted by Rev. A. E. Toombs of the Presbyterian Church from Bennett's Funeral Home,

Campbellford.

The pallbearers were Messrs. Watson Murray, Don Watson, Frank Potts, Bruce Twigg, Melville Gibson and Thomas Little.

Interment was in Burnbrae Cemetery.

PAGING EMILY POST

A lively young lady shocked her very proper beau by drawing on her gloves as they started down the street on their first date.

"Where I came from," chided the young man, "people would as soon see a young woman put on her stockings in public as her gloves."

"Where I come from," retorted the young lady, "they'd rather."

RIVER VALLEY WOMEN'S INSTITUTE

Friday evening March 29th at 8:15 p.m. — Last card party at the school house. Everyone welcome.

Thursday, April 4th at 2:00 p.m. — Annual meeting at the home of Mrs. Ernest Carr. Reports of standing committees, election of officers and pay your dues.

Rylstone

Mrs. Percy Reid has been spending a few days at Menie with her mother, Mrs. E. C. Pollock, who injured her back in a fall on the ice recently.

Mr. and Mrs. Wally Jackson and daughters, of Oshawa, were week-end guests of her parents, Mr. and Mrs. Fred Petherick. Sunday callers at their parents' home were Mr. and Mrs. Ted Grills and family, of English Line, and Mr. and Mrs. Roly Jackson and daughters, Spring Brook.

Mr. and Mrs. Ellis Jones attended the Palmer — Broadworth wedding at Salem Church on Saturday.

Deepest sympathy is extended to Mrs. Percy Reid in the death of her father, Mr. E. C. Pollock, in Campbellford Hospital on Saturday. Mr. Pollock suffered a stroke some weeks ago and had another one recently.

On Saturday night Mr. and Mrs. Jimmie Mumby entertained the following at a bowling party and turkey dinner: Mrs. Stella Gibson and Blanche, Mr. and Mrs. Gerald Fitchett and Ross and Miss Kathleen Palliser, all of Campbellford; Mr. and Mrs. Ralph Heath, Don and Carol, Miss Mary Lou Rodgers, Stirling; Lynn Mason, Spring Brook, and Mr. and Mrs. Walt Reid and George, Rylstone.

Mr. and Mrs. Aaron Anderson visited their daughter and husband, Mr. and Mrs. Doug Cranston and sons at Napanee on Sunday.

Mrs. Doug Doohar and children, of Campbellford, visited her sister and husband, Mr. and Mrs. Clarence Thomson and family on Sunday.

Mr. and Mrs. Jack Spencer and

sons celebrated her birthday on Sunday, March 24th with her parents, Mr. and Mrs. Harper Bateman, Spring Brook. Her grandmother, Mrs. Wesley Ray, Spring Brook, who shares her natal date, was unable to be present owing to illness.

Mr. and Mrs. Ed Stephens, Julie and Cindy, of Oakville, were week-end guests of her father, Wm. Morton Sr. and brother Bob.

John Stewart spent a few days last week with his daughter and husband, Mr. and Mrs. Albert Holland and Stewart, Havelock.

Mrs. Will Rutherford and Mrs. Wilfred Spencer were among the ladies from this Circuit who attended the Training Day at Holloway Street United Church, Belleville, on Monday.

Mount Pleasant

Messrs. Orno Sharp and Sid MacDonald, Mrs. Roy Sills and Miss Jane Gay attended a zone meeting at Bowmanville on Thursday, sponsored by the Provincial Farm Safety Council.

Mr. Thos. Sables attended the Cheesemakers' Spring Convention at Hotel Quinte, Belleville, on Tuesday.

Mr. and Mrs. Sid Williams entertained Mr. and Mrs. Keith Williams and family and Mr. and Mrs. Ronald Williams and family on Sunday.

Mr. Earl Dunkley arrived home from the General Hospital, Belleville, on Sunday.

Mr. and Mrs. Carleton Potts, and Mr. and Mrs. Garth Joslin attended the Kemptville Agricultural School "Royal" last Wednesday. Mr. David Potts won the championship in Field Husbandry and he was awarded two prizes — a brief case from the United Co-Operatives of Ontario and a silver tray from the Ontario Soil and Crop Improvement Association. David's friends extend congratulations.

Mr. and Mrs. Frank Jeffs and several other relatives from this community attended the funeral of her brother, Mr. Elvin Pollock at Campbellford on Tuesday.

Week-end guests of Mr. and Mrs. Thos. Sables were Mr. and Mrs. Harry Mason, Susan, Terry and Linda, of Kingston, and Mr. and Mrs. Ross Mason, Steven and David, of Bancroft.

In Memoriam

HANNA — In loving memory of a dear father, Jared Hanna, who passed away March 24th, 1962. In tears we saw you sinking. We watched you fade away. Our hearts were almost broken. You fought so hard to stay. But when we saw you sleeping. So peacefully free from pain. We could not wish you back Dad. To suffer that again.

—Always remembered and sadly missed by Everett and Stella. 2-1

HANNA — In loving memory of a dear grandfather, Jared Hanna, who passed away March 24th, 1962. One year since that sad day. The one we loved was called away. God took him home it was his will.

—Sadly missed and lovingly remembered by his grandchildren, Jean Ila, Ted, Audrey and families. 2-1

RAY — In loving memory of our daughter-in-law, Shirley Ray, who passed away March 27th, 1962.

Heartaches in this world are many. But losing you was worse than any. Close to our hearts you will always stay.

Loved and remembered every day. Beautiful memories are woven in gold. This is the picture we tenderly hold. Deep in our hearts your memory is kept. To love and to cherish and never forget.

—Sadly missed by mother and father, Norman and Helen and sisters-in-law Beverley and Barbara Ray. 2-1

RAY — In loving memory of a dear wife and mother, Shirley Ray, who passed away March 27th, 1962.

It's been lonely since you left us. Home has never been the same. Mom, the world would be like heaven just to see your face again.

We miss you Mom, more than anyone knows.

As each day passes the emptiness grows.

The tears in our eyes will wipe away. But the ache in our hearts will always stay.

—Sadly missed and always remembered by husband Ralph and children, Christine, Stephen, Garry, Cheryl and Robert. 2-1

WOOD — In loving memory of J. Arthur Wood, who passed away April 1st, 1960.

A page in our book of memories is silently turned today.

—Ever remembered by wife, son and family. 2-1p

CANADIAN JUICES PROVIDE VITAMIN C

Although citrus fruit prices have soared in recent months, there is no need for consumers to panic. We can get all of our Vitamin C requirements from our own Canadian apple and tomato juices. So says the Consumer Section, Canada Department of Agriculture.

Practically all of the apple juice on the market is vitaminized now and it must contain definite standards of Vitamin C — 35 mgms. per 100 c.c. of juice. This means that 3 ounces of the juice will provide the daily requirement of Vitamin C. Vitaminized apple juice may be either clear and amber coloured or opalescent and white depending on the process used.

Opalescent is not clarified or filtered but is free from visible particles of apple pulp. About one-third of the juice now being packed is of the opalescent type. Most of the fall and winter apple varieties are suitable for juice either by themselves or in a blend to give the necessary tartness. Since it takes approximately 1½ pounds of apples to make 1 pound of juice, it is easy to understand why this pure juice has such fine, fresh, full flavour. The grades for apple juice are Canada Fancy and Canada Choice.

Tomato juice is another excellent source of Vitamin C. The natural juice has less Vitamin C than citrus juice but if you drink an 8-ounce

glass of tomato juice you will get your daily quota of Vitamin C. Tomato juice is Canada's most popular appetizer and is in plentiful supply this year. Canada Fancy and Canada Choice grades are packed but most on the market is the Canada Fancy grade. Tomato juice is pure juice with no water added and has the true red colour and flavour of the well-ripened tomato from which it is made. If salt or sugar is added this must be stated on the label.

But if they are too darn powerful, they will interfere all the more.

It is quite conceivable that Canada will return to Ottawa a mixed bag once again. If so, we should each write a letter to the candidate we supported, on this vein: "Dear M.P.: I voted for you. Now I want you to work for me — not spend your time politicking for another election. I am going to be watching you. If you waste time or indulge in petty politics, you will lose my vote next time."

In my view, governments need not be all-powerful. Given a set of fair laws, well administered, the Canadian people can do very well for themselves. They can plan their lives and their budgets. What they can't afford is one costly election after another with the resulting uncertainty about what tax policies and so forth may suddenly be foisted upon them. Surely a course can be set and followed for at least a five year period, whether or not the party in power had a thumping majority. It could be if there was a reasonable sense of responsibility on the part of the elected representatives of the people.

Burn That Thin Plastic Film

Even normally careful parents can make the slip that could cost a child's life. While most have learned by others' sad experience never to re-use plastic film to cover a crib mattress, or as a diaper bag in the carriage, it's not so obvious that even carrying plastic covered clothing home from the cleaners on the same car seat as a baby can lead to sudden death.

Not only is suffocation from the thin film quick because it is air-tight, its very thinness will make it cling to a baby's face despite attempts to free himself. It happens fast — in less than a minute. Most of us would be shocked at the thought of leaving garden shears or a carving knife on a car seat with a baby, but a transparent plastic bag looks so harmless it's hard to realize it is just as lethal.

In the home, car, backyard or anywhere else where children are, plastic should be out of bounds. Never re-use it for any reason, urges the Ontario Safety League. If you need a mattress cover for the crib, buy a heavy one made for the purpose. For laundry use a cotton laundry bag. Collect the children's toys in a box. Plastic film is not a safe substitute for any of these items. It is not safe in the same house with children.

Burn it or tie it in a tight knot and discard it every time you come across one. Always remember a plastic bag anywhere near a baby could spell instant death.

Cooking Comments

To give poultry a good flavour, Home Economists at Macdonald Institute, Guelph, say to rub the cavity with thyme before roasting.

Why not plan to cook a spicy stew the day before using, and then refrigerate it. Food experts say that the flavours blend and give a better taste the second day.

Mix ¼ cup of fried onion into pastry as a topping for meat pies.

Home economists suggest that you serve milk as hot chocolate and use a stick of cinnamon as a stirrer. It looks original and tastes good.

Try using a sprinkle-bottle to distribute the water evenly into the fat and flour mixture when making pastry. This prevents too much water accumulating in one place, which would give a sticky paste to roll.

Frosted grapes and rosy apples make an attractive centerpiece for an early spring dining table. To frost the grapes use a pastry brush dipped into slightly beaten egg white. Brush each grape in the cluster and then hold them over a bowl and sprinkle with granulated sugar. A pleasing frosty effect will be obtained.

OF MANY THINGS

(By Ambrose Hills)

HOW STRONG A GOVERNMENT?

From the time I was old enough to listen to political talk in my father's shop, I have been hearing politicians harp on the need for "strong, positive governments." As a schoolboy, I knew parents also like "strong, positive" teachers, too; but I also knew that I learned more from the teachers who were less intent on strength and positiveness than they were in bringing out the best in their pupils.

The older I get, the more I wince at this monotonous demand for strength in government. There have been strong governments. Hitler had one. Mussolini had one. Khrushchev has one. I see no merit in them, except for the politicians themselves. Not for the people.

On TV, just following the defeat of the Government, I heard labor statistician Dr. Eugene Forsey say that the idea the Canadian people ought to be spanked unless they give this party or that one a good solid majority is nonsense. I agree. The Canadian voter ought to vote for the candidate of his choice and let the chips fall where they may.

It is understandable that we would all like to know what government is going to do next, so that we can make our business plans accordingly, because governments have begun to interfere more and more in our lives.

Funeral of Mrs. Geo. Henry Free

The funeral of Mrs. George Henry Free, the former Alzina Jane Kerr, was held from the residence of her daughter, Mrs. Edward Heasman, R.R. 4, Stirling, on Friday afternoon, March 22nd to St. Paul's United Church. The Rev. P. J. Hommersen officiated.

The pallbearers were Messrs. Harry Coulter, Harvey Vance, Edmund Sherry, J. R. Donohoe, Ernest Carr and Graham Mouch.

Interment was made in Thomasburg Cemetery.

Who May Vote On April 8th

Voting in Canada's general election is not a privilege confined exclusively to Canadian citizens.

The law states only that a qualified voter in the April 8th election must have lived in Canada the day the election writ was issued, be 21 on voting day, and be a Canadian citizen with a year's residence in the country before the issue of the writ, February 6th this year.

The term "British Subject" for voting purposes covers citizens of the United Kingdom and of all Commonwealth countries, and also of the republics of Ireland and South Africa, former Commonwealth members.

Other foreigners, including visitors and immigrants who have not become Canadian citizens, are not entitled to vote. A "landed immigrant" must live in Canada five years to qualify for citizenship.

Warnings are usually issued by the United States government that American citizens who vote in a Canadian election face possible loss of their U.S. citizenship.

U.S.A. residents in Canada may inadvertently find their names on voting lists, though this in itself is not proof that they have actually voted. Many Americans request the electoral revising officer to remove their names.

The constituency in which a person votes is determined by place of residence when the election writ was issued.

A person who moves between then and voting day casts his ballot in the constituency of his former home.

Exempted from this provision are clergymen and school teachers and their wives who take up new postings in a different riding after the writ was issued. They are permitted to vote in the new constituency.

THE BIBLE TODAY

The Bible by correspondence is a method of teaching used in many parts of the world. A report in the Canadian Baptist by Waldo Penner tells of the Light of Life Correspondence Course in India.

The demand is so great that new offices are having to be opened up to handle the heavy volume of mail. Questions are sent out to interested persons, along with a copy of the Gospel being studied. The answers are returned to a central office, marked, comments and notations added and sent back to the student along with a new set of questions in successive chapters of that book of the Bible.

Thousands of people are enrolled in courses covering dozens of languages in several countries. Through advertisements in the newspapers, on radio and at evangelistic rallies, people are invited to enroll. Certificates are granted to successful candidates.

"In the first three months our Kakenada office mailed out over 820 Gospels of John to interested new students," Mr. Penner reports. "There are still 450 on the waiting list." Most enrolled students are teen-agers and over 85 per cent are non-Christian.

"The method of correspondence appeals to many non-Christian young people who may hesitate to make a personal approach to a pastor or to another Christian," writes Waldo Penner.

My View On The Nuclear Question

Dear Friends:

The country is faced with another election brought on by the combined vote of the opposition. The Progressive Conservative Party had only 116 seats and lacked about 20 seats for a clear majority. The opposition parties have done nothing but talk, talk, talk and accuse the government of indecision, fumbling and bumbling, lack of leadership, lack of stable government, etc., which are untruths being said for their own political gain. They have embarked also upon a vicious campaign to discredit the Prime Minister because they know they can't win without tearing him down. The same tactics were tried on Sir John A. MacDonald and others in Canadian history, without success.

The nuclear issue has caused divisions in all parties.

To understand the NUCLEAR ISSUE we must first understand what is meant by sovereign rights. SOVEREIGNTY means supremacy in rule or power; freedom from external control. The elected government of Canada is given the sovereign right to rule supreme and make decisions for all the people without external interference or control. The U.S. Atomic Energy Control Act as Amended, commonly called the McMahon Act, retains the control over nuclear weapons in the hands of the United States. In other words, the U.S. keeps its finger on the trigger. Most NATO countries want joint control to protect their sovereignty, and this is the problem. If a war were to start by accident, miscalculation or failure of communication, or for any other reason, after the first shot, all who had taken nuclear weapons would have nothing to say — it would be too late. France has refused under these conditions to allow any U.S. nuclear weapons on her soil. Therefore the burning issue is: Should Canada take U.S. nuclear weapons under the McMahon Act and give up her sovereignty rights to the U.S. and assume the status of a satellite. The policy of deciding to pull the trigger which would involve Canada in a nuclear war would rest with the military at the Pentagon and the President of the United States. Should Canada take nuclear weapons on her soil and be placed in this position? This is the one issue the people of Canada must decide in the coming election.

The Liberal Party at first said they would take the nuclear warheads, which means they would give up Canada's sovereign rights. Sensing a mistake they now say they would take the weapons and later negotiate to try to get Canadian sovereignty back, which seems like an impossible position. The Social Credit Party is definitely committed to nuclear weapons, which in essence means they favour giving up Canadian sovereignty to a foreign power. However, the party is split and after the House closed, Real Caouette, who is actually the leader, held a meeting and announced that Quebec Social Crediters were opposed to nuclear weapons on Canadian Soil. The two oldest and experienced members of the New Party voted with the Conservative Government.

The Prime Minister has been in on all the conferences for the past six years, and has a depth of understanding of the matter greater than any other person in Canada. He has said: (1) The Anglo-American Nassau Agreement has produced a completely new concept of defence which requires Canada's role, and that of all NATO countries, to be reviewed at the NATO ministries meeting in Ottawa in May. (2) Canada's position is that we still continue to negotiate with the U.S. to have warheads readily available "in case of need", but in these negotiations the government will insist that Canada's sovereignty and rights as a nation will be upheld at all times; (3) Canada will continue to exert every effort at the United Nations to bring about disarmament.

Our Prime Minister has assured the people of Canada that our troops and forces will be armed and equipped as good as any troops in the world.

While Mr. Pearson has already changed his views on Nuclear Weapons nine times, now the latest statement is that he will not announce the Liberal policy until after the election. It could be said of Mr. Pearson as it was said of Columbus, "That when he set out he didn't know where he was going, when he got there he didn't know where he was, and when he returned he didn't know where he had been."

The Conservative Policy has been consistent and definite.

Yours sincerely,

Mrs. Doug Clancy Hostess To Wellman's W.I.

The March meeting of Wellman's Women's Institute was held at the home of Mrs. Doug Clancy on Wednesday afternoon, March 20th, with 18 ladies and 7 children in attendance.

Mrs. Jim Pollock, 2nd Vice-President, had charge of the meeting and opened with the Ode, followed by the Lord's Prayer. The minutes of the last meeting were read by Mrs. Ken Tompkins, in the absence of the secretary, and approved. She also read the correspondence. Several matters of business were discussed and dealt with.

Current events were prepared and given by Mrs. Chas. Dunham. Mrs. Fred Beckett, Mrs. Jim Pollock and Mrs. Robt. Wallace paid to the birthday box. The roll call, "What I read first in the local paper," was well answered by all present. The motto, "Good publicity leads to success" was well prepared and given by Mrs. Clifford Clancy.

Mrs. Gerald Russett, Public Relations Convener, prepared the programme. Mrs. Craig Watson favoured with a piano solo, a medley of Irish tunes. A reading was given by Miss Emma Rainie.

Mrs. Alfred Akins introduced the guest speaker, Mrs. Rex Rollins, the District President.

Mrs. Rollins gave a very interesting message, highlighting on the convention held in Australia this past fall. Mrs. Fred Beckett thanked Mrs. Rollins on behalf of the Institute for her most informative talk and presented her with a small gift.

Mrs. Jim Pollock and Mrs. Gerald Russett rendered a duet, "Great Is Thy Faithfulness." Mrs. Gerald Russett thanked Mrs. Clancy for opening her home and all those who took part on the programme. The meeting closed with the Institute Creed, followed by the Queen.

While the hostess and her assistants prepared the lunch everyone came out to the dining room table to view a macaroni display made by Mrs. Clifford Clancy. From all shapes and sizes of macaroni she had made candle holders using pie plates of different sizes as a base; also decorated tops of boxes and different novelty arrangements. Some she had spray painted and others left their natural colour.

Lunch was served and a social half hour enjoyed.

Salem U.C.W.

The March meeting of Salem United Church Women was held on Thursday the 14th. A dinner was served at noon, following which the President, Mrs. Everett Sine, opened the meeting with the theme hymn and Lord's Prayer in unison. A welcome was extended to all by Mrs. Sine.

Roll call was answered by a favour-

ite Irish song. Mrs. George Sine gave the financial report. Correspondence was read and dealt with.

Mrs. Albert Twiddy and Mrs. Everett Sine were named as the visiting committee for April. Roll call for next meeting will be "An Easter Verse." Plans were made and committees formed for catering to a wedding.

Mrs. Ivan Saries presided over the programme. She opened with a Bible reading, followed by a hymn. Mrs. J. B. Hagerman read the Scripture lesson. Mrs. Ivan Saries read the comments. Mrs. Stan Thompson led in prayer. Mrs. Murney Johnston and Mrs. Ern Broadworth gave readings. Mrs. Frank McGee gave a well-prepared topic entitled, "Our Way of Life — the Road we Travel." Mrs. Lorne Hagerman thanked everyone who had helped with the programme. The meeting closed with a hymn and the benediction.

Spring Brook Local Ont. Farmers' Union

The March meeting of Local 171 of the Ontario Farmers' Union was held in the hall at Spring Brook. The President, Murney Bateman, was chairman.

The press reporter said that he had neglected to send the February report to the paper and at this time would like to say that Sid MacDonald was the guest speaker at that meeting. He spoke on farm safety and highway safety. He then showed some very interesting slides of scenery around Stirling and in Hastings County. Patsy Jane Wilson gave a very good speech on "Conservation of Our Forests."

The President introduced the guest speaker, Mr. Hector Arnold, Chairman of the Cheese Producers, Marketing Board.

Mr. Arnold gave a brief history of the marketing board and then explained the condition of the cheese industry at present. He said that the supply of cheese is low and that the board is having trouble getting enough cheese to meet export requirements.

Mr. Arnold said the farmers received about 40 million dollars in subsidies last year and the city people are led to believe that the farmer is living off the government. At the same time hundreds of millions is spent in government assistance to towns and cities for sewage disposal, housing, expressways and many other things. This seems to be all right in the public eye. One or two large cities would probably receive more government assistance than all the farmers in Canada.

A very interesting question period followed Mr. Arnold's address. Geo. Williams moved a vote of thanks to the speaker.

The Ontario Farmers' Union is presenting a brief to the Provincial Government soon and delegates are asked to attend.

The next meeting is to be held in the hall. Arrangements are being made to have slides on feeding of livestock.

Jim Spry moved that the meeting adjourn. Lunch was served and a social time spent.

Eggleton U.C.W. At W. Harlow's

On Thursday afternoon Mrs. Warren Harlow was hostess for the March meeting of Eggleton United Church Women.

The President, Mrs. Harlow, opened the meeting by reading a lovely poem, "He Cares" and presiding over a programme which had been prepared by Mrs. Frank Smith. The hymn, "Jesus Shall Reign," was sung, after which Mrs. Carl Bridges offered prayer. The minutes were read by Mrs. Clarence Fitchett and roll call was answered by 11 present each repeating a memorized verse of Scripture. The offering of \$5.50 was dedicated with a prayer by the President.

Mrs. William McMullen offered her home for the April meeting. The programme to be prepared by Mrs. Keith Johnson. Roll call in April to be answered by a Scripture verse containing the word "Crucifixion" or "Resurrection."

A motion was made that woolen articles for the bala — caps, mitts and socks — be bought.

Mrs. Bruce Stapley reported on visits made and cards sent out during the past month. Several bills were presented and motion made that same be paid.

A letter of thanks was read; also an invitation from Unit Four of St. Paul's U.C.W., Stirling, to attend a dessert luncheon and afternoon meeting.

Mrs. Harlow thanked the program convener and all others taking part and welcomed the visitor. She then asked Mrs. Maurice Clancy to preside over the programme.

Mrs. Clancy read a prayer. The Scripture reading, part of the 7th

chapter of St. Luke was given by Mrs. Forde Stapley. The commentary on the lesson was given by Mrs. Bruce Stapley. A reading, "Treasurers of Snow," was read by Mrs. Keith Johnson.

The chapter on Korea from the study book, "On Asia's Rim," was presented by Mrs. M. Clancy using a map and globe to point out several places. "In Christ There Is No East or West" was sung and all repeated the U.C.W. Benediction. Mrs. Clancy conducted a Bible contest.

The hostess served dainty refreshments and all enjoyed a social half hour.

St. John's W.A.

The monthly meeting of St. John's W.A. was held at the home of Mrs. S. McAloon with 15 members present and one visitor. The meeting opened by singing hymn 588, followed by prayers. Mrs. G. Mouck read the Bible reading, taken from the 26th chapter of Matthew.

The Secretary read the February Board meeting report and also a letter of thanks from Mrs. F. Downing. In the absence of the Treasurer, Mrs. McGee, Mrs. G. Noble gave her report.

The Dorcas Secretary, Mrs. H. Cooke, reported that she had purchased articles for the school bala and that there was a quilt to ready to be quilted. It was decided to have a pot luck supper at the hall at 6.30 next month and have a work meeting along with the regular meeting. Mrs. Frank Harding brought some mill ends of cloth suitable for skirts and jumpers for the bales. Anyone having material suitable for personal property bags were asked to bring it to the April meeting.

Mrs. J. Green reported having two new Little Helper members.

Mrs. F. Harding, Social Service Secretary, reported making four calls and sending one card to Mrs. Munro on her one hundredth birthday anniversary. The visiting committee made eight calls. Mrs. Noble asked that any members making and social service calls to report same to the Social Service Secretary.

Mrs. Noble announced that the Annual would be in Brockville on May 14th and 15th. She also reminded the members to bring their thank-offering boxes to the April meeting.

The offering was taken and dedicated and Mrs. Noble closed this part of the meeting with prayer.

The meeting was turned over to Mrs. Morrow and Mrs. McAloon. Mrs. Carr was asked to read a portion of the handbook. She made this very interesting with illustrations. Mrs. Morrow gave a reading. Mrs. Noble conducted a very interesting quiz on Biblical quotations.

The hostesses served lunch for which Mrs. Harding moved a vote of thanks.

The Good Driver

PEDESTRIANS AREN'T PERFECT

The main responsibility for traffic safety is charged, rightly, to the automobile driver. Every person who drives should be aware of his duty to protect the lives of others. Drivers traffic authorities and police must always be especially careful to protect pedestrians, who are hopelessly vulnerable in any conflict with a moving vehicle.

But is enough attention given to the fact that pedestrians also have responsibilities? A report of an accident causing death or injury to a pedestrian brings instinctive sympathy for the victim, and a reflex feeling of accusation towards the driver. Often, according to the Ontario Safety League, the blame is misplaced.

One of the reported fatalities in 1962 that aroused public emotion involved a blind man. But public reaction might have been a little different if the full facts were released at the time. The unfortunate victim was walking on a highway, intoxicated. It would seem that some measure of sympathy should go to the driver who now carries the burden of having taken a blind man's life.

In 1962 there were 318 pedestrians among the 1333 traffic fatalities in Ontario. The Department of Transport reports that 115 pedestrians died on King's highways. Of these, 89 or 77.4% were reported to have been "at fault"; 9 were shown as "ability im-

paired" and 12 "had been drinking."

In Metropolitan Toronto in 1962 slightly more than half the traffic victims were pedestrians; slightly more than half of these pedestrians were judged to be "at fault" in the accidents that killed them.

Major E. J. M. Hughes, head of the Department's Accident Statistics Division, says that it "does not make sense" that as many as 115 people should walk to their deaths on King's highways during a year. He also adds that it is strongly recommended that students and others attempting the 50-miles-in-20-hours physical fitness test suggested by President Kennedy, should be discouraged from using the King's highways or other well travelled arteries.

All road users share the responsibility for traffic safety, says the Ontario Safety League. Pedestrians, too, are road users.

Eat A Good Breakfast — Start The Day Right

No one can afford to start the day off without breakfast. Nutritionists at Macdonald Institute, Guelph, feel that breakfast is the most important meal of the day. Children will be more alert and attentive in school, workers will attack their jobs with more vigor, and weight watchers will find it much easier to stick to their diet if they start the day with a good

breakfast. A good breakfast should be high in protein and an easy way to get a good quality protein is to eat an egg. But there are other good sources that can be served for breakfast. Bacon, ham, sausage, or hamburger patties served with whole wheat pancakes make a substantial start for the day's activities. A whole grain cereal served with milk makes an excellent combination, giving protein and important B vitamins.

Tomato juice or vitaminized apple juice should be served sometime during the day and because of their tangy good taste, most people enjoy them for breakfast.

So set a good example for your children; eat a good breakfast!

LEGION NOTES

All members of Branch No. 228 are reminded that the final date for payment of 1963 dues is March 31st. This date marks the end of the first quarter of the Legion year. A member not in good standing after this date loses all Legion privileges, which means he cannot hold office or vote on any question. At this time also, the mailing list of the Legionary magazine is revised. We urge all comrades to check their standing in the Legion right away. Please make it a point to contact Membership Chairman, Doug Patterson.

With the approach of spring, the Legion Arena has closed its doors for another season. Public support of all arena activities has been most generous and the Legion wishes to thank everyone who has helped in any way to ensure this success. The branch is particularly indebted to Mr. Alvin Rankin, the caretaker, who has carried out his duties in the best interests of the arena.

It would seem likely that several arena improvements will be discussed at the next meeting of the branch executive. If and when such details are finalized, it is expected that work will be carried on through the summer months so that the arena will be in excellent condition well in advance of next season.

It is also expected that the Legion will again sponsor a local and district Pee Wee Softball League. This league has provided a great deal of healthful recreation throughout the summer months and the branch considers it an important part of its year-round sports programme. Further details will be announced in due course.

All members of the Legion are advised that the regular April business meeting of Branch No. 228 will be held in the Legion Hall on Tuesday, April 2nd at 8.15 p.m. Many important items of business will be discussed. A decision must soon be made regarding the sponsorship of a fireworks display at the local Fair Grounds in connection with the

Victoria Day holiday.

President Allan Lawes also wishes to advise all comrades that the proposed Legion Church Parade, originally planned for Sunday, April 7th, has been set back to Sunday, April 21st. Additional details will be announced next week.

St. James C.W.L.

Nine members met for the monthly meeting on the 14th of March. Mrs. Stan Meeks suggested making up a spiritual bouquet to be sent to a sick member each month. The letter received from Mrs. J. A. Cordick, Chairman of the Catholic Adoption Year Programme, was greatly discussed. There will be more information on this extremely urgent matter in the near future. Membership dues are to be collected from now on.

Mrs. Ila Burley gave a reading entitled, "Will the Meeting Please Come to Order." Before the conclusion of the meeting there was a spiritual reading on "The Last Supper." After the Act of Consecration a social half hour was enjoyed.

New Books At Public Library

Among the new books for young readers at the Stirling Public Library the following are proving popular: "Digging for Dinosaurs," "Scrubs on Skates," "Calgary Challengers," six new mystery books by popular authors; "Ask Henry," by eleven year-old Henry Makow; "If I Knew Then," a tips-for-teens book by Debbie Reynolds; a collection of Robt Frost's poems especially for children, entitled "You Come, Too," and a colourful book by Peter Freuchen, "Book of the Eskimos."

For the very little reader, "Maggie Muggins and Benny Bear," "Police-man Small," "Manners for Moppets" and "A Headful of Hats" are ranking favourites.

Among the non-fiction books, adults will find these especially readable: "Living Free," by Joy Adamson; "Promises to Keep," by mother of Dr. Thos. Dooley; "The Trial of Adolph Eichmann," "I Kid You Not," by Jack Paar; two highly humorous books, "Minutes of the Lower Forty," by Corey Ford and "Dear Miss Afflerback," by Miller Harris, and a little cartoon book with the engaging title "Happiness is a Warm Puppy."

For the readers of adult fiction there is the controversial "Fall-Safe," "Life at the Top," by John Braine, following his previous book, "Room at the Top," also in the Library; Alma Stone's "The Bible Salesman;" "King Rat," by James Clavell; "An Answer From Limbo," by Brian Moore; "The Witch of Manga Reva," by Garland Roark; Paul Gallico's, "Mrs. Arris Goes to New York;" "Act of Anger," by Bart Spicer; "The Time Before This," by Nicholas Monsarrat; "A Herd of Yaks," by Eric Nicol; "The Quiet Canadian," by Hyde; "The
